Statement in the matter of R v Vida Reid

Name	Andrew David HAHN
Occupation	Utility Operator
Address	Known to National Disability Insurance Scheme (NDIS)
Date	14 October 2022

STATES:

1. This statement made by me accurately sets out the evidence that I would be prepared, if necessary, to give in court as a witness.

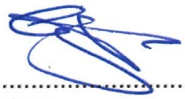

2. My full name is Andrew David HAHN and I am 38 years of age.

3. My residential address is known to the National Disability Insurance Scheme.

4. I am a NDIS participant and currently plan managed. I have had a plan with the NDIS since 2018 and my participant number is 431173013. My disabilities are autism, anxiety, and depression. I currently have one support worker that I see once a week for four hours. My current budget is $78,577.87 per the one year period of the plan.

5. As I required a plan manager, my friend Christie recommended me to a woman called Terri who was a support coordinator working for a company called Forward Focus Group (FFG) which provided support coordination services. This would have been in March 2021. I later met with Terri on 8 March 2021.

6. Also at this meeting was Vida Reid who introduced herself as the owner of FFG. In general terms, we discussed meeting with an LAC and advocating for supports for myself. I already had a plan at that point, but Vida and Terri thought my plan could be better designed around what I wanted to achieve.

7. I signed a service agreement on 8 March 2021 and was emailed a copy of the agreement on 9 March 2021 by Vida.

Exhibit One: I now produce FFG Individual Service Agreement – NDIS Support Coordination dated 8 March 2021 consisting of eight pages – Annexure AH001 refers.

8. After this agreement was signed, Vida advocated on behalf with the LAC to have my plan changed and different services included in the plan. As a result of Vida's advocacy, I was provided a new plan commencing on 9 June 2021. I have provided a copy of the plan to investigators from the NDIS.

Exhibit Two: I now produce NDIS Plan dated 9 June 2021 consisting of 15 pages - Annexure AH002 refers.

9. This plan included Capacity Building Supports relating to Improved Life Choices, Improved Daily Living, Improved Relationships, and Support Coordination for a total amount of $25,710.43

10. In October 2021, I was appointed a new support coordinator by the name of Blake Sadler as Terri had left FFG. In November 2021, I needed somewhere to live, and I had a discussion about this with Vida. Vida put me into a Quest Apartment in Rockingham and charged this against the respite funding in my plan.

11. I have been shown a spreadsheet by NDIS investigators today 14 October 2021 which shows that NDSP Plan Managers have made 12 payment requests for STA and Assistance (Inc. Respite) for a total of $23,796.28. These payment requests were made on behalf of FFG and submitted between 16 November and 5 December 2021. I stayed at the Quest Apartments from 18 November 2021 to 26 November 2021 for a total of nine nights.

12. Vida never told me how much she was going to charge against my plan for the accommodation at the Quest Apartments. In February 2022 I was checking the funds in my plan and saw the invoices for the accommodation at the Quest

Apartments. I was shocked, and emailed FFG asking them about these charges. Their response was that respite care was the only line item that they could use for the accommodation. I made some enquiries online and saw that the average charge for the Quest Apartments was $230 per night.

13. During this period, Vida was trying to find longer term accommodation for me. She presented me with an option to move into her Supported Independent Living (SIL) accommodation in Safety Bay. I agreed to this option and moved into this accommodation on 26 November 2021. Vida assured me that the cost of the SIL accommodation at Safety Bay would be covered under my plan.

14. I had also requested several services from Vida from the commencement of the new plan on 9 June 2021including psychosocial counselling, but these services never materialised.

15. On 9 March 2022, I sent an email to NDSP asking them not to pay any invoices from FFG or Hybrid Hive without me first reviewing them. NDSP informed me via email that FFG had submitted to them several invoices which NDSP has raised payment request for against my plan. These invoices from FFG were for services that had never been provided to me.

16. For example, FFG had invoiced NDSP for providing me with psychosocial counselling for about $10,000 in total. This counselling was never provided to me.

17. Investigators have asked me today whether I ever received a service called Assistance with Self Care Activities. I have never received this service from either FFG or The Hive. The business name was Hybrid Hive, but they referred to themselves as The Hive.

18. Investigators have also asked me whether I received 38 hours of Assessment Recommendation Therapy or Training in April 2021 from FFG. I did not receive this service from FFG or The Hive.

19. Investigator have also asked me whether I received 62.8 hours on 15 July 2021 for Capacity Building and Training in Self-Management and Plan Management from FFG. I did not receive this service from FFG or The Hive.

20. In summary, the only services I received from FFG was the accommodation at the Quest Apartments which was highly inflated, and a handyman to install a venetian blind at the house I was living in prior to moving into the Quest Apartments. At the same house, there were two times that they sent a gardener for about four hours each time. The handyman and gardening services were provided sometime around June to October 2021.

21. In relation to the Safety Bay accommodation, I lived there from the 26 November 2021 until I was evicted on 29 April 2022. When I moved in Safety Bay, it was under the understanding that I would receive SIL. Vida said she was going to get me SIL funding and that would then cover that accommodation.

22. In March 2022, I had a plan review meeting with the LAC from APM. Vida was conference called into this meeting. The LAC informed us at this meeting that I would not be approved for SIL funding.

23. A few weeks after I was refused SIL funding, I was served an eviction notice and I moved out of the Safety Bay accommodation. After I was evicted on 29 April 2022, I did not receive any services at all from either FFG or Hybrid Hive.

This statement is true to the best of my knowledge and belief. I have made this statement knowing that, if it is tendered in evidence, I will be guilty of a crime if I have wilfully included in the statement anything that I know to be false or that I do not believe is true.

9 June 2021

Dear Mr. Hahn

Your NDIS plan approval

Please find a copy of your approved National Disability Insurance Scheme (NDIS) plan attached to this letter. The plan started on 9 June 2021 and will be reviewed by 9 June 2022.

How we developed your plan
We recently received new information about your disability related support needs.

This information assisted us to complete an unscheduled review of your plan. This is referred to as a section 48 review under the National Disability Insurance Scheme Act 2013 (NDIS Act).

As discussed with you, I reviewed your plan to ensure you were receiving the right supports to meet your circumstances. Please note as a result of this review, the duration or overall plan value may have changed.

It is important to remember that any funding received from the NDIS for supports must be used for that purpose. Rebates or reimbursement from another government department or private health insurance agency cannot be claimed for things that have been purchased using NDIS funding.

You can request an internal review of a decision about this plan within three months of receiving this notice. You can still use this plan while it is being reviewed. Details on how to request a review are at the end of this letter.

Please note that funds in your core budget are flexible. This means you can choose how to spend this funding to meet your support needs.

What you need to do
1). Please **read through** your plan and make note of the "My NDIS contact" listed. We encourage you to think about how you would best like to use your plan funded supports.

2). Tell your **support providers** that you have a new NDIS plan. This may include telling them about any changes to the plan and/or the supports they are providing for you.

3). Read the NDIS participant **booklets** to help start using your plan. You can find and print these from the NDIS website (ndis.gov.au) under "booklets and factsheets", or you can contact us and we can print these for you.

Next steps
Your "My NDIS Contact" will **contact you** about starting to use your plan. They will explain the plan funded supports, answer any questions, and help you to connect to support providers.

In the meantime, If you would like to discuss your plan, you can ask for your "My NDIS Contact" when contacting us in any of the ways listed under the "we're here to help" section of this letter.

Yours sincerely

Funded supports information

My funded supports can help me achieve my goals

Managing my NDIS funding

There are 3 different ways my plan funding can be managed:

- **Self-managed:** I will claim funding from my NDIS plan to pay providers myself or my plan nominee or child representative may do this on my behalf. Providers will invoice me directly for supports I have agreed they will provide.
- **Plan-managed:** My plan management provider will make claims and pay providers on my behalf for supports I have agreed they will provide.
- **NDIA-managed:** Providers will claim payment directly from my NDIS plan based on active service bookings. Where supports are NDIA-managed, I can only use an NDIS registered provider.

My funding may be managed in one or more of these ways and is listed with my funding on the following pages.

Stated Supports

Where a support is listed as 'stated' in my plan, I must purchase this support as described in my plan. I cannot swap 'stated' supports for any other supports.

In-Kind Supports

Where a support is listed as 'in-kind' in my plan, I must continue with my existing service provider as they have been pre-paid to deliver this service. However, if I have a concern about using my in-kind provider I can raise my concerns with my NDIS contact.

Quote Required

Where a support is listed as 'quote required' additional information such as quotes and/or specialist reports will be required. Once the quote is approved, the funding will be made available in my plan.

Total funded supports $69,354.83

For 09 June 2021 – 09 June 2022

Core Supports

Core supports help with my everyday activities, my current disability related needs and to work towards my goals. The Core Supports budget is the most flexible, and in most cases, funding can be used across the support categories (however, this may not include transport).

Goal/s my Core Supports funding can help me achieve:

- I would like to live in a home of my own in a peaceful and stable environment.
- I would like to continue to develop my emotional regulation skills to build my capacity and support my mental health and wellness
- I would like to increase my ability to engage in social and activities and be able to feel comfortable in social settings and activities.

Core Supports	Budget
Core supports are used to help with daily activities and community participation. Funding may be used flexibly between these supports: Social and Community Participation: $11 537.76 has been allocated for flexible supports to enable maximum independence in personal activities of daily living and to assist with participating in activities of interest within my community. Supports in Employment: $28 400.64 allocated to purchase the supports I need to help me at work and maintain my current employment. And, Low-cost Assistive Technology: $250 is included for the purchase of Basic (Level 1) and Standard (Level 2) assistive technology, and minor repairs for my AT, to support me to achieve my plan goals and outcomes. A report outlining progress against the plan goals and recommendations for future planning is required to be submitted to the NDIA 6 weeks prior to plan review. Reports to be submitted to enquiries@ndis.gov.au. **My Core Supports funding will be:** • $40,188.40 Plan-managed	**$40,188.40**

Core Supports	Budget
Transport $3456.00 allocated as a contribution towards my transport costs - to access my community and engage in social / community / employment activities of interest. **My Transport funding will be:** • $3,456.00 Plan-managed	**$3,456.00**
Total Core Supports	**$43,644.40**

Funded supports continued

Capacity Building Supports

My Capacity Building supports are intended to build my independence and reduce my need for the same level of support into the future. My progress and outcomes from these supports will be shared at each plan review.

Unlike my Core Supports budget, my Capacity Building Supports budget cannot be moved from one support category to another. Funding can only be used to purchase approved individual supports that fall within that Capacity Building category.

Goal/s my Capacity Building Supports funding can help me achieve:

- I would like to live in a home of my own in a peaceful and stable environment.
- I would like be able to be able to sustain long term and stable employment in a job that I enjoy.
- I would like to continue to develop my emotional regulation skills to build my capacity and support my mental health and wellness
- I would like to increase my ability to engage in social and activities and be able to feel comfortable in social settings and activities.

My Capacity Building funding can be spent in the following ways:

Capacity Building Supports	Budget

And, STATED SUPPORT: Plan management financial administration developing and processing monthly statements (administrative functions only). **My Stated Supports funding will be:** • $232.35 NDIA-managed Plan Management And Financial Capacity Building - Set Up Costs • $1,253.40 NDIA-managed Plan Management - Financial Administration	**$1,485.75**
