Statement in the matter of R v Vida REID

Name	Candice YAVARZADEH-TEHRANI
Occupation	Stay at home mum
Address	Known to National Disability Insurance Scheme (NDIS)
Date	12 October 2022

STATES:

1. This statement made by me accurately sets out the evidence that I would be prepared, if necessary, to give in court as a witness.

2. My full name is Candice YAVARZADEH-TEHRANI. I am 39 years of age.

3. My residential address is known to the National Disability Insurance Scheme.

4. I am the mother of Ziah O'REILLY who is a participant with NDIS. Ziah's participant number is 431248901.

5. Ziah is eligible for NDIS Autism Spectrum Disorder. Ziah is level 3 non verbal and has some aggression issues. He can become frustrated if I do not pick up on his cues quickly enough. He has toileting issues and needs help with his daily care.

6. There was a stage where Ziah was hitting me, his family, teachers and others so I thought it best to engage with a behavioural therapist.

7. I am not sure how I found Forward Focused Group I think it was from a referral from a friend.

8. I phoned FFG to arrange a Behaviour therapist, I spoke to a person who said he was Luke Hazelwood who said he was a therapist and would come to our home.

9. Within a few days he came to our home and met with Ziah and myself and did a assessment. He wanted us to do a tracking record in relation to his behaviour for two weeks, which we did.

10. I am not sure but I believe that I signed a service agreement that Luke gave to me. I do not remember what was in it. I have a service agreement but it is not signed. I have emailed this to Investigator LANE.

EXHIBIT I now produce service agreement dated 4/8/2021 Annexure CV 01

11. Luke came back and reviewed the charts and gave me a few strategies to try with Ziah.

12. There was a meeting at the school and Luke attended the meeting he was late and he did not know why he was there.

13. I met with Luke three or four times maximum over a period of two or three months. He would have spent 4 hours in total. Luke was supposed to write a report but he never did.

14. Luke did send a Therapy assistant to Ziah once on his own. The Therapy Assistant also shadowed Luke once. I am pretty sure that I was charged the full therapist rate and not the therapy assistant rate.

15. Luke has since left FFG and gone to work with St Jude's and he told me if I wanted a report that I would have to come and see him at St Jude's

16. I received a phone call from plan manager Jarrod CHITIZ who told me about the bill from FFG for $4357.24 This was for the Behavioural therapies and support coordination

17. I phoned Luke in relation to the invoice and he said that it was correct and that it was quite cheap as most would be about $20,000.

18. The invoice dated 19 October 2021 has charges for CB and Training in Plan management and Financial management by a support coordinator. This amount totals $ 1187.96. Investigator Lane has asked me to comment on this- Absolutely did not get this , in fact this is the first I have heard from this.

    Exhibit invoice dated 19th of October Annexure CV 02

19. The invoice dated 19th October 2021 has charges for Assessment recommendation Therapy. This would be for Luke's Behaviour therapy. The invoice is for 18 hours to a total of $ 3170. Investigator Lane has asked me to comment on this. – This is wrong there should be a total of five hours total.

20. In relation to the support coordinator her name was Chloe. Luke referred her to me and she was helping me to find a speech therapy. I did not know that you needed funding in the plan but this was never discussed. At no time did she work with me in relation to training in plan management. I would have spoken to Chloe about no more than four or five times.

21. I rang FFG office as I could not get hold of Luke or Chloe and I spoke to a person who identified herself as Vida and she told me that Luke had been fired as he was not qualified to be a behaviour therapist. She also told me that there was a police investigation into Chloe and another support coordinator called Terry who were stealing money from FFG or the clients. I had a short conversation and hung up.

22. I asked Vida to send me through the reports from Luke but I got nothing. I messaged Vida and told her I was ceasing services with FFG and she wished me well.

23. I received a phone call from FFG about three months later who asked if I wanted to go back to FFG and I said no. By that time I had started to self manage Ziah's plan so I could keep an eye all on the invoices. I received an invoice for $150.00 for this phone call. I just deleted it. I can not believe they tried to charge me for the phone call.

24. I did sign something but the service agreement I have from FFG has Ziah's name but no signature. Ziah could not sign as he is only five years of age. There is a signature on the agreement in the name Leah Norman I have no idea who that is.

25. I believe the FFG have tried to take $3000 fraudulently from Ziah's plan.

26. The fact that FFG have tried to take money from Ziah makes me feel like they have betrayed my trust and they are shit people to do this to parents who have enough to deal with as it is.

This statement is true to the best of my knowledge and belief. I have made this statement knowing that, if it is tendered in evidence, I will be guilty of a crime if I have wilfully included in the statement anything that I know to be false or that I do not believe is true.
