Statement in the matter of R v Vida REID

Name	Hayden Michael TRANTHAM
Occupation	Disability Support Pension
Address	Known to National Disability Insurance Scheme (NDIS)
Date	13 October 2022

STATES:

1. This statement made by me accurately sets out the evidence that I would be prepared, if necessary, to give in court as a witness.

2. My full name is Hayden Michael TRANTHAM.

3. My residential address is known to the National Disability Insurance Scheme (NDIS).

4. Sometime in 2021 I became a participant of the NDIS. I have been diagnosed with schizophrenia.

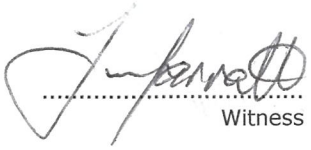

5. NDIS number is 431194185.

6. After I started with NDIS I didn't manage my plan and I'm not sure who did. I'm unsure where I was living when I first started. Prior to where I live now I was at the Harvey Rainbow caravan park from December 2021 to April 5th 2022.

7. The help I needed was company, people to take me to appointments, cooking and cleaning, taking me to places where I can get involved with the community. While I was at Harvey Rainbow Caravan Park Vida and Blake from Forward Focus Group (FFG) came to see me. The had been referred me from St Judes.

8. I don't remember what I discussed with them and I signed a form. I remember telling Vida I wanted to do some fishing and she told me I could get a charter boat. I said no it was a bit of overkill I just wanted to fish off the beach. I didn't get a copy of whatever I signed.

9. I needed to get a skin cancer appointment. Vida organised for someone to come and get me and take me to the appointment at the Bunbury skin cancer clinic on Mary Street Bunbury. As far as I can remember they didn't do anything else for me while I was at the caravan park until the 5th April when someone came and picked me up to move in to where I live now. FFG had organised my new accommodation for me.

10. Since that time they bought me an iPhone, organised workers to come every day of the week to keep me company and take me out, they also cleaned the house a bit. Having company really helps me. When they were coming every day they were coming at 9am until 5pm. They did miss a few days during this time due to covid. I cant say what these days were and didn't keep records.

11. About 14th June 2022 to the 4th August 2022 I was admitted to hospital for my illness. While I was in hospital Osman, Honey (visit) and Gilbert from FFG came to visit me. They came to visit me during visiting hours in the mornings from 10am 12 midday. They just decided to visit I didn't really get anything out of it. Sometimes Gilbert and Osmand came together and other times on their own. When Honey visited she starting taking photos. She didn't ask me if I wanted to have the photos taken and I wasn't comfortable with it. About a week later I asked her not to use them. I believed she was going to use them in the FFG newsletter. I remember the nurses coming in and told her no cameras and she stopped then.

12. Around the time I was released from hospital, I had a meeting with my aunt and the doctors what I needed and we changed the services I needed to 1 person from 9am 3-3.30pm Monday, Tuesday, Wednesday Friday, Saturday and Sunday. 2 weeks ago I stopped getting help on the Sundays.

13. Around July 2022 I texted the Yaran Suites people a question about how much FFG were paying towards my rent. I know I pay $224 a week out of my benefits. Later that night I got a phone call from Vida and she told me something like we're trying to keep things as transparent as possible, you don't need to know how much we pay. This isn't word for word but is close to what she meant. I was hoping to get more answers and felt I had a right to know. I'm trying to be more independent.

14. As far as I know all of the supports and workers I've received are from FFG. But the workers that they work for FFG but work with the Hive as well.

15. There was one guy Milosh from FFG asked me once if I wanted to be in the car with him while he did menu log but I didn't think it was right so I didn't do that.

16. Tim JARRATT has asked me if I have every had any short term accommodation supplied by FFG. Prior to moving into the accommodation I'm in now FFG arranged for me to stay 2 nights in the new accommodation to test it out. I think this was in mid to late march. I stayed by myself for the two nights. While I was staying at Harvey Caravan Park this was the only occasion FFG arranged other accommodation for me. After I moved to the new address I went on a retreat to Moore River organised by FFG. This was for 2 nights but I'm not sure of the dates. My Mum who with me making this statement has shown me photograph I sent her on the 28th August 2022. I can now say it was the 26th, 27th and 28th August 2022. There was Vida, Blake, Timoh, Osman, Honey, Romeo and Kelly from FFG there for the weekend as well. There was an Indian man there as well. There were also 4 other participants on the retreat.

17. Tim JARRATT has told me that FFG have charged my NDIS plan for Assessment Recommendation Therapy and/or training on 12/08/2022 to 14/08/2022 and asked me to comment. I've looked at my calendar and I have nothing written in for the 12/08/2022 to 14/08/2022. I record most of what I get on my calendar.

18. Tim JARRATT has told me that FFG have charged my NDIS plan for Counselling and asked me to comment. I organised for psychology counselling and this started on the 10th August 2022 and I've had 9 appointments with Perth Hearing Voices

clinic. I know payments for this comes out of my plan. I haven't received any counselling from FFG or from anybody through them.

19. Tim JARRATT has told me that FFG have charged my NDIS plan for Psychosocial recovery coaching and asked me comment. When I arrived at current address there was a lady called Tanya who was assigned to be my recovery coach. I had lunch with her once at Char Char's Fremantle. There were 3 FFG staff, Vida, Blake and Tanya and me. Vida was drinking red wine. I had to get an Uber there and back. When I got there the entrée's were already out and then mains came, I got a small serving of octopus, Vida had a steak, Blake had a steak also. I cant remember what Tanya had. There was no discussion about me or psychosocial recovery. I had attempted suicide just prior to this on 24th May 2022 and there wasn't any conversation about me or my welfare. I think it was Blake who invited me to Char Char's to have a meeting. I've had no coaching whatsoever from FFG.

20. Tim JARRATT has told me that FFG have charged my NDIS plan for Provider travel – non labour costs and asked me comment. I have never had a discussion with Vida or anybody else from FFG about them charging against my plan for travel. Some of the workers have told me that they get reimbursed by Vida for their travel. I have not agreed with FFG for them to charge me for travel.

21. Tim JARRATT has told me that HH have charged my NDIS plan for Provider travel – non labour costs and asked me comment. I have never had a discussion with Vida or anybody else from Hybrid Hive about them charging against my plan for travel. Some of the workers have told me that they get reimbursed by Vida for their travel. I have not agreed with HH for them to charge me for travel.

22. I record most of my supports on my calender. Brenda RYAN has taken photographs of my 2022 calender.

This statement is true to the best of my knowledge and belief. I have made this statement knowing that, if it is tendered in evidence, I will be guilty of a crime if I have wilfully included in the statement anything that I know to be false or that I do not believe is true.
