Statement in the matter of R v R v Vida Reid

Name	Jessica Rose Smith
Occupation	Mother
Address	Known to National Disability Insurance Scheme (NDIS)
Date	14 October 2022

STATES:

1. This statement made by me accurately sets out the evidence that I would be prepared, if necessary, to give in court as a witness.

2. My full name is Jessica Rose Smith and I am 39 years old.

3. My residential address is known to the National Disability Insurance Scheme.

4. My understanding of the National Disability Insurance Scheme (NDIS) is to help fund Charlie's needs with therapy, accommodation, support co-ordinators and everyday assistance for Charlie. The NDIS is to support people with disability to assist with their life. My sister Sarah was in supported care and received funding from the NDIS.

5. I am the plan nominee and carer for my daughter Charlie Harrison (Charlie), who is a participant of the NDIS, NDIS number 431289007. Charlie was born on 3 October 2004. In mid 2018 Charlie was being treated by Paediatician Dr Samantha KAISER at Moora Public Hospital. She was referred to Dr Margaret DOHERTY who is a child psychiatrist as well as a Psychiatrist Dr Virginia TOBAR. Charlie was diagnosed with Attention-deficit/hyperactivity disorder (ADHD) and Post Traumatic Stress Disorder (PTSD).

6. A few months later Charlie had an appointment at the Neuroscience Clinic located at Nedlands, Western Australia with Dr Tania BIANCO who conducted intellectual disability tests as well as Dr Max NAGLAZAS who conducted speech therapy tests. These tests resulted in Charlie being diagnosed with Mild Intellectual Disability.

7. During the same time and after the neuroscience appointments Charlie's was also seeing Dr Cathy BORI at Perth Children's Hospital who was testing for Charlie's genetics where she found variants of chromosome 28. She was diagnosed with the Noonans Syndrome.

8. In June 2020 Charlie became a participant of the scheme. Currently Charlies plan is dated 19 July 2022 to 19 July 2023 to the value of $224,740.08. Charlie needs supports with daily living, occupational therapy, community outings and social/daily activities.

9. After receiving the acceptance letter into the NDIS I chose Provider Choice and plan manager Richard PAUL who remains Charlie's plan manager.

10. I found a provider St Judes Health Care Services (St Judes) for support coordination. I was not satisfied with St Judes so I went to Lighthouse Health Group WA Pty Ltd I spoke to someone by the name of Eileen who advised Lighthouse could not provide complex support coordination and recommended Forward Focus Group. She took my details and said they would contact me.

11. About a week later, a woman whom I know as Vida from Forward Focus Group came to my house to do an initial meet and greet. Vida was very confident in the way she spoke and made me believe that she was able to help my daughter Charlie. Vida also came with someone who was going to be acting as Charlie's complex Support Coordinator, her name was Chloe O. They offered accommodation in the future, respite, household and yard cleaning and action plans in moving forward. Vida would comment about Charlie's plans and saying Charlie needed plan reviews and get more funding for supports. She spoke about her daughter's disability and made feel like I could relate to her as I am a mum with a daughter with disability.

12. I then signed up Charlie to receive supports from Forward Focus Group. I signed a service agreement, and I received a copy via email however I can't find this copy. Forward Focus were given a copy of Charlie's NDIS plan.

13. Charlie received one service from Forward Focus Group that was a one-off respite care at the start of her plan that was dated 24 May 2021 to 25 May 2021. Forward Focus keep changing Charlie's support coordinators. Chloe O rang me around September or October 2021 and said she could no longer be Charlie's support coordinator, then she had someone who's name started with S, then Janine and Blake Sadler and now she is with Cassandra Burke.

14. On 16 August 2022, I was contacted by Richard who raised some concerns regarding payments that Forward Focus Group had submitted. He sent me these payments on email and I checked them. They were 5 invoices, numbered INV-1468, INV-1070, INV-1073, INV-1074 and INV-1075. I told Richard I did not agree to the invoices, these supports were not given to Charlie.

15. I contacted Blake from Forward Focus Group who at the time was Charlie's Support Coordinator. Blake said he would look into it, and he would get back to me. He told me it was fine and to tell Richard to pay it anyway. Blake then returned the phone call and said that HIVES was an accountant and he would find out why they are claiming against Charlie's plan. I never heard back from Blake.

EXHIBIT – I NOW PRODUCE 5 INVOICES NUMBERED INV-1468, INV-1070, INV-1073, INV-1074 AND INV-1075.

16. On 14 October 2022 I met with Amanda LAING from the NDIS Fraud Taskforce. I had a look at a list of claims made against Charlie's plan for supports dated 2 August 2021 until 14 September 2022.

17. I can see a claim submitted by Forward Focus on 15 June 2021 for STA and assistance (inc Respite) for the 24 May until 25 May 2021 which is correct. Charlie received this respite.

Smith Jessica Smith

A. LAING

18. I saw claims made by 'Infinity Living Options' for a week dated 17 August until 22 August 2021 for STA assistance respite. I organised respite for Charlie during this week, this was done by Phase. This amount needs to be checked, I don't know about Infinity Living Options. I have never heard of Infinity Living Options and I don't know why they could claim from Charlie's plan. The provider travel charged during this same week needs to be checked.

19. I saw claims for 'Self Management Capacity Building' between 2 August 2021 and 14 September 2022. Charlie has never been supported in Self Management Capacity Building by Forward Focus Group. We would be a lot further on if she had it.

20. Charlie has never had Psychosocial Recovery Coaching with Forward Focus, nor has she had Counselling, she has never had anyone see her or provide her counselling supports. This has never been authorised and this should not be claimed against her plan.

21. I can state that Charlie never received Assistance with Self Care Activities, Specialised Behavioural Intervention Support, Assessment Recommendation Therapy and or Training, Skills Development Training, Innovative Community Participation. These are not the services we use from Forward Focus, we have other providers for these services.

22. I dispute the coordination of supports both level 2 and level 3. This would mean I would be on the phone and in contact with them often. I would speak to them probably once a fortnight. I don't agree with the hours claimed. I don't understand what supports were provided for this amount of supports to be claimed.

23. I am the only authorised person allowed to give permission for providers to claim against Charlies Plan. I did not give permission for Forward Focus or Infinity Living Options to make these claims. In summary, apart from the respite in May 2021 I do not agree with the amount of claims made against Charlie's plan. I do not understand why these claims have been made by Forward Focus or Infinity Living Options.
