Statement in the matter of R v Vida REID

Name	Meghan Erica Goodwin
Occupation	Yards person
Address	Known to National Disability Insurance Scheme (NDIS)
Date	12 October 2022

STATES:

1. This statement made by me accurately sets out the evidence that I would be prepared, if necessary, to give in court as a witness.

2. My full name is Meghan Erica Goodwin. I am 32 years of age.

3. My residential address is known to the National Disability Insurance Agency (NDIA).

4. I have been medically diagnosed with autism spectrum disorder (ADHD), Emotionally Unstable Personality disorder (EUPD). Due to this disability, I have received benefits from the Australian Government through NDIS since around November 2020. My NDIS Participant number is 431576199.

5. I know Vida Reid (REID). I am aware she is the boss and owner of a provider business called Forward Focus Group (FFG). I believe she owns the business with her husband Simon Reid (Simon). Simon never was involved with providing the services. I think he was in finance. REID has provided support services to me from the 24 December 2020 to 12 August 2022. I do not use her for services anymore. I stopped using her when I moved out of the house she had me living in at 25/19 Malibu Road, Safety Bay.

6. I am also aware she has another provider businesses called Hybrid Hive (HH). To my knowledge HH was the office which was attached to the house I lived in at Safety Bay. This was run by REID. I know some of the emails I had came from HH. I believe my support Coordinators were Alex Bowers and Elanor Smith.

7. I signed my first service agreement with REID on 24 December 2020. I have a copy of that agreement but I do not remember signing it as I was in the Fiona Stanley Hospital in Perth in the mental health ward as an in patient. I remember speaking to REID on the phone but not actually filling out the form. Looking at the agreement, I believe the signature is my handwriting but not the writing within the form.
EXHBITED DOCUMENT: MG01 Service agreement dated 24/12/20

8. I also have a Form 'Consent for a third party to act on behalf of a participant' dated on the same date 24 December 2020. I do not remember filling this form out. I can say the handwriting is not mine. I cannot say if the signature is mine or not.
EXHIBITED DOCUMENT: MG02 Third Party Consent form dated 24/12/20

9. I also have a form 'Consent for the NDIA to share your information'. This is dated 24 December 2020 as well. I also do not remember signing this form. The handwriting is not mine.
EXHIBITED DOCUMENT: MG03 Consent for the NDIA to share information

10. I am aware I have signed more service agreements with REID but they were all computerised and I signed the first one electronically and the rest came with that digital signature on them. There were also some that I had never signed.

11. As REID is an unregistered provider, I am aware the invoices for her services are put though a Plan Management Agency. I never have received any Plan Management statements about what services were being provided to me. I am aware now that my NDIS nominee Elanor Smith is receiving plan manager statements to check for me because now Elanor shows them to me. This has been since around 12 August 2022, since I moved out of the Safety Bay house.

12. When I first signed up with REID I believed her role was to be my support coordinator. She was supposed to organise my psychologist appointments, organising carers to take me out in the community, provide equipment I needed.

13. When I first signed up I was living at St Bartholomew House (St Barts) at 61 Oudgen Way, Medina. There were other residents sharing the house. Support staff came and left each day. This was nothing to do with FFG or NDIS.

14. The only services FFG provided to me whilst I was living at St Barts was the psychologist and support coordination.

15. I lived there until January 2022 when I moved to the Safety Bay house because REID organised it and it was have 24 hour care. It was not 24 hour care. We had carers on and off but not overnight. There was no one there on weekends or overnight or on any public holidays.

16. While I lived at the Safety Bay house, the other people who lived there was Andy Hahn and another girl. I do not remember her name.

17. The services provided by REID included psychologist appointments and she arranged people to take me out places.

18. I saw the Psychologist once a week for most of the time. She would come to visit me. Each time was for one hour.

19. Once I lived at the Safety Bay house from January 2022, FFG provided services for some cooking, some house cleaning for about 2 weeks. Someone came once a week to take me out. Amy was the carer who took me out. I also remember an Indian lady at the house and a security guard one night.

20. The security guard at the house who was there because apparently REID thought I didn't get along with the other boy at the house called Andy. FFG removed all the knives from the premises so I would not be able to hurt myself. During this time I didn't stay at the house all the time. I was sleeping on trains rather than at the house because I didn't trust my FFG support Coordinator Alex and usually it was

only me and Andy at the house alone. It was around this time that Alex gave me a Kiddie Cutter knife to keep. This was a knife that apparently could not cut things. This was in April 2022 around 16th April 2022. I spoke to my support person Tabatha Sadler.

21. The security guard was only there for one night. On this one night, I got up early in the morning at about 2am or 3am. When I got up I went to the kitchen and saw the security guard go towards my bedroom and looked into my room. He was fully naked. He was carrying a towel. I started screaming at this point and he went back into his room. I then left the house until the sun came up. I waited in the carpark until the staff arrived for the day.

22. I first started losing trust with REID from seeing a Facebook site which had a picture of myself with the chief in the kitchen and the site was referring to a cooking life skills group I was apparently involved in. The chiefs name is Nakita. I have never heard of this cooking group. I can say that is was all made up. I remember making protein balls on this one occasion and a photo was taken by Eleanor. REID used this photo on the Facebook site. I never gave my permission for this and never knew about this course that never existed. I never did any more cooking with Nakita other than this one day. I am aware once Nakita knew about this Facebook site post and she left. I was extremely upset over this. I remember I cried.

23. I remember because of this, I was so angry that I hit my head into a cupboard on purpose. I fell unconscious from this. I remember waking up the next day on the floor in the kitchen and there was no staff there. I had been on the floor since the afternoon before. This was about one week after the Facebook post which was on 12 March 2022.

24. On 12 October 2022, I had a conversation with NDIS Investigator Brenda Ryan. She was making enquiries into the claiming that had occurred against my plan.

25. As a result of that conversation, I can say the following in relation to services I have received from FFG and HH:

- I was never aware of which company was charging for services.
- In relation to claims made under Short Term Accommodation (STA) or Respite, there were two occasions when I was placed at the Clipper Inn at Paterson Road, Rockingham. It is like a motel. REID and Alex told me it was for my safety. The first time was around early April for about 5 days and then then the second time was from Friday 22 April to 2 May 2022. If there are any claims for any other dates for STA, they would be false.
- Any claims made by REID for self-managed building capacity is false. I have never received any training or support from REID through her companies to help me manage my own support. I remember questioning Lee Semmler from the mental health department once we say that this claim was in my plan. Alex was asked to come to a meeting about this but never came.
- If there are any claims for house and yard maintenance, there was no yard at the Safety Bay house. There was also no gardening and house maintenance provided by FFG at the St Barts house. They had their own staff there that did that.

26. I can say that whenever I had carers, there was only ever one person at a time. Never did I have more than one person. The names I can remember are Donna, Peru and Amy Lemma.

27. I can also remember a time around April or May 2022 when I spoke to REID and Alex in the HH office. I had started to lose trust in them by this time. I asked to see my plan. REID told Alex to only show me the goals and not the rest as it would only upset me. They would not show me the whole plan. This made me angry and I felt they were treating me as if I was dumb and I am not.

28. Over the time REID and FFG were involved in my life, I did not fear for my life but a felt I did not have control over my life. I felt REID was controlling my decisions and she made me feel crazy. She would tell me she was doing things for me. I think she is evil because I trusted her and now I think she has done the wrong thing by me. I don't think people should lie or hurt others. I don't trust people from this experience.

29. I have made this statement with Tabatha Sadler with me for support.

This statement is true to the best of my knowledge and belief. I have made this statement knowing that, if it is tendered in evidence, I will be guilty of a crime if I have wilfully included in the statement anything that I know to be false or that I do not believe is true.
