However they haven't received a quote/invoice for the electric bed. I called Elaine, Sarah's OT but she didn't pick up the phone, I sent her a text to ask her if she knows about the bed's quote & to forward me relevant emails so I could follow up. 16/03/2022	Sally See	3 hrs	Meeting	Plan Review Meeting	As requested by Sarah-Jane, I attended her plan review meeting. The attendees were: Elaine (Occupational Therapist), Leah Moolman (NDIS), Vida Reid (Director of FFG), Sally (myself – FFG therapist) and Sarah-Jane (participant). The meeting went well. As there were a couple of things which needed to be updated in her NDIS plan (e.g. the "about me" section, and her goals), Vida and I have agreed that I would send her an updated version. We emphasised the importance of Sarah having more funding for supports and therapy. Elaine had stated in the FCA that Sarah needed 1 session per week, but she had requested to overrule that as I stated that Sarah is not only mentally stable because of what she is currently facing, but she is experiencing other types of traumas from her childhood and some other causes which due to confidentiality I could not share. I highlighted that the extra supports need to be in place especially on days where she is not receiving counselling and needs companionship. We spent the rest of the time listening to what Elaine had to say and Sarah's input. The plan review meeting went on for 1 hour. But I had consulted Vida before and after the meeting,	$581.97
