21 December 2022

Statement of reasons for making a banning order under sections 73ZN(1)(b)(i) and 73ZN(1)(b)(iii) of the NDIS Act, permanently prohibiting Hybrid Hive Pty Ltd from providing supports and services to NDIS participants

I am a delegate of the Commissioner of the NDIS Quality and Safeguards Commission (the Commissioner).

On 21 December 2022, I decided to make a banning order under section 73ZN of the NDIS Act, permanently prohibiting Hybrid Hive Pty Ltd from providing supports and services to NDIS participants from the date that the order takes effect.

The Commissioner of the NDIS Quality and Safeguards Commission

The office of the Commissioner is established by the NDIS Act. The Commissioner performs regulatory functions in relation to the provision of disability supports and services to people with disability.

The regulatory functions of the Commissioner include:

- upholding the rights of, and promoting the health, safety and wellbeing of, people with disability receiving supports and services, including those received under the NDIS;
- regulating NDIS providers, including through the application of Practice Standards and a Code of Conduct;
- compliance monitoring;
- investigation of non-compliance and taking appropriate enforcement action; and
- managing and resolving complaints from participants, carers, family members, advocates and others.

Outline of relevant statutory provisions

Section 73ZN of the NDIS Act enables the Commissioner (or the Commissioner's delegate) to make an order known as a banning order. Relevantly for this matter, a banning order made under section 73ZN(1) can have the effect of prohibiting or restricting specified activities of an NDIS provider or a person who was an NDIS provider.

Section 73ZN(1)(b)(i) allows the Commissioner or the Commissioner's delegate to make a banning order if she or he reasonably believes that the person has contravened, is contravening, or is likely to contravene the NDIS Act.

Section 73ZN(1)(b)(iii) allows the Commissioner or the Commissioner's delegate to make a banning order if she or he reasonably believes that a person is not suitable to be involved in the provision of supports or services to people with disability.

Procedural steps

On 17 November 2022, I wrote to Hybrid Hive Pty Ltd informing that I considered there were grounds for making a banning order against it. In that letter, I also invited Hybrid Hive Pty Ltd to make submissions in relation to these matters by no later than 5pm on 30 November 2022.

I note that the Commission has not received any submissions from Hybrid Hive Pty Ltd.

Relevant facts

As a result of information provided to the Commission and the Commission's own enquiries, I understand the following:

1. Hybrid Hive Pty Ltd (ACN 651 140 108) was registered as a corporate entity on 17 June 2021.

2. The sole director and shareholder of Hybrid Hive Pty Ltd is Simon Reid (S REID).

<u>Requirement to comply with NDIS Code of Conduct – contravention of the NDIS Act</u>

3. Section 73V of the NDIS Act makes provision for the NDIS Code of Conduct. The *National Disability Insurance Scheme (Code of Conduct) Rules 2018* are made for the purposes of section 73V of the NDIS Act and include:

    b. under section 6(d) that in providing supports or services to people with disability, a Code-covered person must act with integrity, honesty and transparency; and

    c. under section 6(f) that in providing supports or services to people with disability, a Code-covered person must take all reasonable steps to prevent and respond to all forms of violence against, and exploitation, neglect and abuse of, people with disability.

4. On 19 October 2022, S REID's wife and business partner, Ms Vida Reid (V REID) was arrested and charged with four offences, being:

    a. Between 1 December 2021 and 17 May 2022 at Perth in the State of Western Australia, V REID dealt with money or other property, it being reasonable to suspect that such money or other property was proceeds of crime and at the time of dealing the value of the money or property was more than $100,000, contrary to section 400.9(1) of the Criminal Code (Cth).

    b. That between 26 December 2021 and 23 June 2022 at Perth in the State of Western Australia, V REID dealt with money or other property, it being reasonable to suspect that such money or other property was proceeds of crime and at the time of dealing the value of the money or property was more than $100,000, contrary to section 400.9(1) of the Criminal Code (Cth).

    c. That between 30 November 2021 and 08 April 2022 at Perth in the State of Western Australia, V REID caused payment requests to be submitted, which he knew to be false, to the National Disability Insurance Agency (NDIA), a Commonwealth entity, with the intention of dishonestly causing a loss, contrary to section 135.1 (3) of the Criminal Code (Cth).

    d. That between 18 November 2021 and 19 April 2022 at Perth in the State of Western Australia, V REID caused payment requests to be submitted, which he knew to be false, to the NDIA, a Commonwealth entity, with the intention of dishonestly causing a loss, contrary to section 135.1 (3) of the Criminal Code (Cth).

5. The statement of material facts in support of these charges relevantly notes:

a. Between 26 November 2021 and 22 June 2022, V REID and S REID caused 81 false 'payment requests' to be submitted against the funding of two NDIS participants, with the intention of dishonestly causing a loss to the Commonwealth. As a result of these claims, V REID and S REID received money reasonably suspected of being proceeds of crime to the sum of $247,484.78.

b. Between 26 August 2022 and 21 September 2022, Zettai Pty Ltd trading as Assist Plan Managers submitted 11 separate reports of suspicious invoices submitted by Forward Focused Group Pty Ltd and Hybrid Hive Pty Ltd.

c. V REID encouraged an employee, Ms Leah Norman (Ms Norman) to inflate the amount of time she spent coordinating support services for participants. Ms Norman alleges V REID could claim for residual funds left in a participants plan towards the end of the plan expiry. Forward Focused Group Pty Ltd and Hybrid Hive Pty Ltd are responsible for $1,485,527 in claims from expired plans. This represents 31% of total successful claims.

d. Between 30 November 2021 and 10 May 2022, claims to a combined total of $127,475.30 were submitted by Forward Focused Group Pty Ltd and Hybrid Hive Pty Ltd against the NDIS plan of Ms Meghan Goodwin (Ms Goodwin). Ms Goodwin has provided evidence that she did not receive the services purportedly provided in these claims.

e. Between 24 November 2021 and 22 June 2022, claims to a total combined value of $120,009.48 were submitted by Forward Focused Group Pty Ltd against the NDIS plan of Ms Sarah-Jane Clulow (Ms Clulow). These amounts were paid into Forward Focused Group Pty Ltd accounts for which the joint signatories are V REID and S REID. Ms Clulow has provided evidence that she did not receive the services purportedly provided in these claims.

6. V REID is subject to bail conditions, including a protective bail condition that V REID is not to communicate directly with any person who is considered to be a current or past recipient of services provided by Hybrid Hive Pty Ltd or Forward Focused Group Pty Ltd about the content of any evidence they may give, or be able to give, in the prosecution of these charges.

7. Staff of Forward Focused Group Pty Ltd undertook work on behalf of and represented Hybrid Hive Pty Ltd, including in respect of the delivery of supports and services and the submission and resolution of claims against NDIS plans for purported supports and services.

8. Information held by the Commission identifies Hybrid Hive Pty Ltd has engaged in the following conduct, in contravention of the NDIS Code of Conduct and which presents a range of risks to NDIS participants, including through exploitation and undermining their independence, choice and control:

    a. Whilst NDIS participants in most instances executed service agreements with Forward Focused Group Pty Ltd, NDIS participants' plans were claimed against by other providers including Hybrid Hive Pty Ltd, without knowledge of any service delivery by both providers, nor with their consent. More specifically:

        i. The following NDIS participants entered into a service agreements with Forward Focused Group Pty Ltd. Claims were made by Hybrid Hive Pty Ltd against their NDIS plans, in circumstances in which the participants or their nominees had not executed a service agreement with Hybrid Hive Pty Ltd

and where the claims had not been authorised by those NDIS participants or their nominees:

- Mr Bassam Haidar (Mr Haidar);
- Ms Amber Wilson (Ms Wilson), nominee for her children's NDIS plans;
- Ms Gina Regali (Ms Regali), nominee for her children's NDIS plans;
- Mr Hrimnir Benediktsson; and
- Ms Jessica Harrison, nominee for child's NDIS plan.

ii. Ms Regali further raised concerns with Mr Blake Sadler (Mr Sadler), a support coordinator employed by Forward Focused Group Pty Ltd, concerning invoices for services not delivered. Mr Sadler sent a text to Ms Regali stating Forward Focused Group Pty Ltd was 'changing the dates on the December Hive invoice'.

iii. Ms Jessica Harrison further raised her concerns with Mr Sadler, who advised her that 'it was fine' and to tell her plan manger to pay the invoices. Mr Sadler also advised that he would find out why Hybrid Hive Pty Ltd was claiming against Charlie Harrison's plan, for which Mr Sadler did not provide any further information.

iv. Claims were fraudulently submitted by and paid to Forward Focused Group Pty Ltd and/or Hybrid Hive Pty Ltd for services not delivered, including in respect of:

- The NDIS plans of Ms Wilson's children for capacity building and training in self-management and plan management and house cleaning and other household activities;
- The NDIS plan of Ms Sarah-Jane Clulow (Ms Clulow), specifically:
    - Invoice 1217 for $3,127.50 which was questioned by Ms Clulow. V REID advised there was an extra charge for tax, above the $2,470.00 amount Ms Clulow claims is the correct figure;
    - All claims for short term accommodation;
    - All claims by Forward Focused Group Pty Ltd for community access, house cleaning, assistance with self-care activities and community participation;
    - All claims for dates in which other providers had already claimed;
    - All claims for self-management building capacity;
    - All claims for psychology during March and April 2022, excluding one hour per week in March 2022;
    - Invoice 1146-1; and

- Invoice 1375-1.

- The NDIS plan of NDIS participant, Seyed Yunus Hashimi, for services allegedly delivered whilst he was overseas;

- The NDIS plan of NDIS participant, Ms Angela Cutler, for assistance with self-care, capacity building and training in self-management, assessment recommendation – other therapy and community access.

This conduct identifies failures by Hybrid Hive Pty Ltd to act with integrity, honesty and transparency, in contravention of section 73V of the NDIS Act.

b. Hybrid Hive Pty Ltd submitted falsified and inappropriate claims against the expiring or expired NDIS plan of NDIS participants, with the objective of exhausting funds in those NDIS plans. More specifically:

i. Invoices were issued weekly against the expired NDIS plan of Ms Goodwin, for services not provided by Forward Focused Group Pty Ltd or Hybrid Hive Pty Ltd;

ii. Invoices were issued by Hybrid Hive Pty Ltd against the expired NDIS plan of Ms Yvonne Harrison (Ms Harrison) for alleged services occurring in March 2021. Ms Harrison commenced services with Forward Focused Group Pty Ltd in November 2021 and with Hybrid Hive Pty Ltd in March 2022; and

iii. 14 invoices were issued by Hybrid Hive Pty Ltd against the expired NDIS plan of Ms Janine Craig for alleged services delivered but for which there was no record held by Hybrid Hive Pty Ltd.

This conduct further identifies failures by Hybrid Hive Pty Ltd to act with integrity, honesty and transparency, in contravention of section 73V of the NDIS Act.

c. Hybrid Hive Pty Ltd, and Mr Rejaul Alam (Mr Alam) and V REID on behalf of Hybrid Hive Pty Ltd, authorised payments of invoices on behalf of participants, without their consent. This resulted in NDIS participants' management of their NDIS plans being undermined and funds being exhausted without their knowledge. More specifically:

i. Ms Danica Hall (Ms D Hall), former employee of Forward Focused Group Pty Ltd, raised concerns with Mr Rejaul Alam (Mr Alam) concerning the validity of invoices raised for which Mr Alam then took responsibility and issued;

ii. Ms Regali was advised by her plan manager that invoices for dates in January 2022 were accompanied by an email from Mr Alam stating 'we have been advised by the participants have approved the invoice'. Ms Regali confirmed that she had not authorised the invoices; and

iii. Jessica Harrison is the only person with permission to authorise payments against the NDIS plan of Charlie Harrison. Jessica Harrison has not authorised claims made and paid against Charlie Harrison's plan, including a claims by Infinity Living Options Pty Ltd, an entity for which she has no knowledge.

This conduct further identifies failures by Hybrid Hive Pty Ltd to act with respect for individual rights to freedom of expression, self-determination and decision-making, and act with integrity, honesty and transparency, in contravention of section 73V of the NDIS Act.

d. Further, Hybrid Hive Pty Ltd and Forward Focused Group Pty Ltd representatives, operating on behalf of Hybrid Hive Pty Ltd, engaged in aggressive claiming activities against the NDIS plans of NDIS participants, making inappropriate and falsified claims for supports and services not delivered. More specifically:

i. Ms D Hall, was instructed and pressured by V REID to make phone calls to all participants concerning a river cruise for which $7,500 was to be charged against the NDIS plans of participants, including in circumstances in which participants had already declined. V REID instructed Ms D Hall and other support coordinators to charge 15 minutes of support coordination for each phone call against NDIS plans of participants. Ms D Hall further considered this harassment of participants;

ii. Ms Janine Hall (Ms J Hall), a former employee of Forward Focused Group Pty Ltd, was also directed by V REID to call NDIS participants to harass for attendance at a New Year's Eve cruise. If participants declined, they were placed on the list of another employee to be called. Ms D Hall was instructed by V REID to 'bill' for these phone calls for support coordination, even if phone calls were unanswered;

iii. Ms D Hall states that she was trained to send invoices for services not provided, send invoices to claim funds from expired plans for services not provided and alter dates on invoices to claim from plans that had funding left in them;

iv. Ms Norman was directed by V REID to record more hours than the time actually required to provide support coordination, Ms Norman advises 'this was constant; she would call us dumb and tell us we're putting our jobs in jeopardy by not doing what we're told regarding the hours, and that we didn't understand how the NDIS worked'; and

v. Ms Terri Roberts (Ms Roberts), former employee of Forward Focused Group Pty Ltd, alleges V REID directed support coordinators to 'bill participants at least 15 hours per day' and that once this had been achieved, staff would receive 50% of the charge as a bonus.

This conduct further identifies failures by Hybrid Hive Pty Ltd to take all reasonable steps to prevent and respond to all forms of violence against, and exploitation, neglect and abuse of, people with disability and act with integrity, honesty and transparency, in contravention of section 73V of the NDIS Act.

<u>Suitability of Hybrid Hive Pty Ltd to provide supports and services to people with disability</u>

9. The contraventions outlined above, strongly suggests that Hybrid Hive Pty Ltd is not suitable to provide supports or services to people with disability for the following reasons:

- Section 3 of the NDIS Act contains the objects of the NDIS Act, which includes:
    - supporting the independence and social and economic participation of people with disability;
    - enabling people with disability to exercise choice and control in the pursuit of their goals and the planning and delivery of their supports;
    - promoting the provision of high quality and innovative supports that enable people with disability to maximise independent lifestyles and full inclusion in the community; and
    - protecting and prevent people with disability from experiencing harm arising from poor quality or unsafe supports or services provided under the NDIS.
- In giving effect to the objects of the NDIS Act:
    - section 3(3)(b) of the NDIS Act requires regard to be had to the need to ensure the financial sustainability of the NDIS. Similarly, as set out in section 4(17) of the NDIS Act, it is the intention of Parliament that the Commissioner, amongst others, have regard to the need to ensure the financial sustainability of the NDIS in performing functions and exercising powers under the NDIS Act;

- sections 4(4) and 4(6) of the NDIS Act, provide principles guiding actions under the NDIS Act including:
    - People with disability should be supported to exercise choice, including in relation to taking reasonable risks, in the pursuit of their goals and the planning and delivery of their supports; and
    - People with disability have the same right as other members of Australian society to respect for their worth and dignity and to live free from abuse, neglect and exploitation.

- Hybrid Hive Pty Ltd has engaged in conduct that is in contravention of the NDIS Act, contrary to these guiding principles, as well as the objects of the NDIS Act, and in circumstances have deliberately undermined those principles. More specifically:
    - Hybrid Hive Pty Ltd engaged in conduct which limited NDIS participants from exercising their choice and control over their own supports and services, and acted without their consent or authorisation to make decisions about the engagement of supports and services under their NDIS plans. This conduct is serious, and has had significant impacts on the health and wellbeing of participants, particularly where deliberate conduct has been engaged in to subvert the authority of NDIS participants and their nominees;
    - Hybrid Hive Pty Ltd and its representatives have engaged in aggressive and dishonest conduct, including the submission of falsified claims for supports and services against NDIS plans, authorising payments without participant consent and entering into new service agreements without the knowledge or consent of NDIS participants and their nominees; and
    - The fraudulent conduct set out above presents significant risks to the financial sustainability of the NDIS, as well as to NDIS participants, as victims of fraud. Such conduct takes funds from NDIS participant plans, stopping participants from being able to purchase the supports and service they genuinely need. Further, fraud makes it harder for participants to pursue their goals and outs additional pressures on carers, family, friends and support networks.

10. Therefore, I have formed the view that allowing Hybrid Hive Pty Ltd to continue providing supports or services to people with disability poses a continuing risk to people with disability. My view is that Hybrid Hive Pty Ltd is not currently suitable to provide supports or services to people with disability.

Decision to issue a banning order

Part of the Commission's functions is to protect the interests of people with disability who may be particularly vulnerable and to ensure that they are protected from exploitation. My view is that a provider that has failed to comply with obligations under the NDIS Act as set out above, must be prevented from providing supports or services to people with disability.

I therefore believe that it is appropriate to issue a banning order prohibiting Hybrid Hive Pty Ltd from engaging in any activities related to the provision of supports or services to NDIS participants, in accordance with sections 73ZN(1)(b)(i) and 73ZN(1)(b)(iii) of the NDIS Act.

I have taken into account the purposes of a banning order which are to protect the public from harm by removing those who are unsuitable or not competent to provide disability services and supports; and generally deter misconduct and incompetence through permanent or temporary exclusion from providing disability services and supports.

Taking into account all the matters set out above, I consider that it is proportionate to impose a permanent banning order against Hybrid Hive Pty Ltd.
