Subject RE: FFG SEA DREAM VALENTINES CRUISE - THANK YOU

Description

CAUTION: This email originated from outside of the organisation. Don't click on links or open attachments unless you recognise the sender and know the content is safe.
Hi Terri,

Obviously the email was sent by mistake , however it was a thank you email and nothing of offering services as stated by yourself. I am aware of the invoices charged and most of these were actually charged and put through the system by yourself with your name stamped on it as you were an employee here and were also managing this participant and her children. So if there is anything you are disputing it is your own work and doing you need to dispute !

In terms of privacy I have not breached anyone's privacy and until now I did not even know who this person was until your email. I also was not aware of who the plan manager is/was which you both have outlined. We were also not aware the participant has gone to you from FFG, thank you for outlining this to us.

Your email is inappropriate as you are breaching the client's privacy by informing us where she has gone and who her current supports are. We do not need to know this.
In terms of information by law we are required to keep any information we have for 7 years. Please refrain from any further contact with me myself.

The only person being aggressive and harassing others is yourself. Please try to remain professional. We are all known for our work and who we are in the sector and it is highlighted in the emails we send to others.

I will pass on the incorrect charges for investigation since you have highlighted your own work was done unlawfully to be looked at by the agency.

Subject: RE: FFG SEA DREAM VALENTINES CRUISE - THANK YOU
Importance: High

Good Afternoon,

Please refrain from contacting my participant as this is a breach of Amber and her family's privacy. Amber has expressed her concerns on multiple occasions to not be contacted from many different staff members employed by FFG, who have not respected the wishes of Amber, NOT contact regarding any events your organization are hosting. Amber received 2 phone calls within the space of 1 hour on the 7/02/2022 asking to attend the an event hosted by FFG. Further to this, Amber's plan managers have been contacted with invoicing for services that never took place. These invoices are anywhere between $4000.00 for a "Cancellation Fee" and 15 minute blocks of phone calls to Amber after the cease of services. No service agreements or services are in place for Amber and her family.
Amber and her family ceased services in November 2021. FFG should not have any access to Amber's personal information, again, this is a breach of Amber and her children's privacy. Amber will be taking this concern further if continued to being harassed by FFG.

I kindly request Amber, Yasmine, Tobais and James Wilson's personal information be archived and not be contacted again.

Thank you,

Stop contacting me at all. None of my family are not a participants with FFG, we do not want to be, and have requested not to be contacted.
My plan manager has been informed not to pay any invoices from FFG as we are still getting invoices charged to us every time there is unsolicited communication!
Seriously, FUCK OFF!!

Dear Participants,

We are writing to thank you for attending our FFG Sea Dream Valentine’s Day Cruise on the 13th of Feb 2022!

This year, we welcomed a record-breaking number of 127 people living with a disability on our Valentine’s Day event. Your support has helped us continue to expand our mission to provide the community, resources, linkages, and education that people with all abilities require/face on a daily basis, and we have managed to thrive. We hope to see you again at next year's Women's Conference or one of the upcoming workshops listed on our website!

I would like to extend a heartfelt thank you to our donors, sponsors, friends and corporate partners and participants for the support you provided to us to make the day possible, and a dream come true for many.

Your contribution was crucial to the success of the event. You helped us put a smile on so many faces and this is priceless. Together We Can Change Lives.

Here’s what a sponsors said about the event: “It is important for our family to make a difference in our local community. Your organization is making a tremendous impact on so many people while teaching us how be more accepting of one another and that we can lend a helping hand to make a difference a step at a time - Thank you for organizing such a great event!”

We plan to organize more events of this kind in the future and eagerly await the opportunity to partner with other providers together again. Please follow our social media pages for future events.

With all our gratitude – FFG Team
