When FFG contacted me my support coordinator changed frequently, and I received emails or calls from Blake, Janine Hall, Yasmine and adminstrator named Kelly from FFG however I do not know who my support coordinator was supposed to be as it was always someone different who contacted me. The only time someone came to my house from FFG was when Vida came twice which was the first time and the second was when I told her I wasn't happy when Vida wanted $50,000 to start the home modifications I needed for my house. All other interactions with the support coordinators were over the phone. ***Therefore, Support Coordination claims have been deemed as claimable.*** Para 10 - I know Janine from FFG organised an Occupational Therapist to get me my bed and scooter through the NDIS. FFG also organised a physio to help me with exercises, but I only had the physio visit once a month. ***Therefore, the purchase of the bed and scooter are deemed as claimable, as these items were provided. The monthly visits by a physio are deemed as claimable, as these services were provided.*** Para 11 - At no stage did Vida from FFG provide the supports or services for any home modifications, there was only a couple of people coming out to do quotes. When Vida told me she wanted $50,000 to do these home modifications. I did not proceed with these home modifications based on the advice from my support worker Chloe, because she told me that is not how NDIS funding should work and I should not use my core budget to pay for home modifications if it is not included in my plan. Para 13 - In about October 2021, I can remember Vida provided me with an opportunity to attend a Flower arrangement course, which I attended this one-day course for two hours. My support worker at the time Ahmed transported me to this one day course. Para 14 - In December 2021, I remember receiving an email inviting me to attend a New Years Eve Cruise where I responded to Vida and said yes, I would attend. Vida gave me the impression that this cruise is from her share of what she is charged, at no stage did she directly say this was going to be charged out of my NDIS funding. However, because of Covid I did not feel comfortable going, I decided not to attend this cruise. Vida told me that unfortunately it has been paid for already and it wouldn't be refunded and would come out of my NDIS funding. Para 15 - In February 2022, I remember receiving an email and multiple phone calls from a Chinese girl inviting me to attend a Valentine's Day Cruise, where there was going to be entertainment, live acts and buffet food. I explained I did not want to go on the Valentine's Days Cruise because of the Covid restrictions which were still in place. I was not under any impression the funding for this cruise was going to come out of my NDIS funding. Para 22 - On 20 October 2022 ... I was shown a list of claims which I can see these are claims for STA which I understand to be Short Term Accommodation, I can say I have stayed away from home. I can see claims listed there mentioning 'Access Community Social and Rec Activities'. I have nevere received any of these services from FFG. ***Therefore, Claims for Short Term Accommodation and Access Community Social and Rec Activities have been deemed as possibly fraudulent.*** Para 23 - In our meeting on the 20 October 2022, I was shown claims for Counselling services and Psychology services. I can say I have never received these services as all my services for Psychologty is claimed through my mental health care plan through Medicare. ***Therefore, claims for Counsellings services and Psychology services have been deemed as possibly fraudulent.*** Para 25 - On 20 October 2022, I was shown claims for 'Community Social and Recreational Activities'. I can say I have never received these services from FFG or The Hive. ***Therefore, claims for 'Community Social and Recreational Activities' has been deemed as possibly fraudulent.*** **Addendum Witness Statements in the name of Marisha Lombard dated 14 November 2022** ***(Annexure A Item 15.2)*** Para 4 (Addendum) - (a) I have never received any assistance with self-care activities. An claims against that category would be false. (b) I can state that I did attend one flower decoration course, this was a 2 hour course that was held at an office in Armidale. This was run by a Turkish man. I can recall that the course was held on a Saturday in 2021. I know this becuase it was a few months before a river cruise that I did not attend in 2021 for New Years. I did not attend this due to Covid-19. Although this was	`	0.00	$100.14	$0.00	Para 9 - Support Coordination claimable

(c) I can state that I did receive services from a cleaning service called Jels Cleaning Services. This service was not connected to Forward Focused Group or Vida Reid. Jels Cleaning Services would send invoices direct to the Plan Manager. I received cleaning once a week on a Thursday. I would either have one person for no more than 3 hours or sometimes two people for no more than 1.5 hours. (d) I did have a male gardener/maintenance person who I know as Paul. Paul would provide service 2 days a week. He would generally work for about 4 to 5 hours. Paul was employed through the Hive. Because Paul was not getting paid for this work; around 7 months ago Paul left the Hive and commenced working for himself. Once he went out on his own, he provided me services 1 day a week. Paul would do weeding and spraying and Paul would also do general maintenance jobs around my house. ***Therefore, claims for Yard Maintenance have been deemed as claimable.***	4.500	0.00	$100.14	$0.00	Para 9 - Support Coordination claimable
