METHODOLOGY

39. The following methodology was adopted to **(1)** Calculate the value of the alleged fraudulent Successful Payment Request Claims submitted by FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD and INFINITY LIVING OPTIONS PTY LTD; and **(2)** Reconstruct and consolidate the bank accounts and trace the credit transaction (deposits) of NDIS funds in relation to the fraudulent Successful Payment Request claims identified in step **(1).** This was achieved by the following:

    a) Extract from the "Successful Payment Requests" report data exhibited in the witness statement of James WIDLAKE (marked as "VRJ/JW01", "VRJ/JW02", "VRJ/JW03") (Annexure A Items 39 – 42) the individual Payment Request Claims in relation to each participant that has been identified as having alleged fraudulent claims submitted against their NDIS plans by FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD or INFINITY LIVING OPTIONS PTY LTD.

    b) Review witness statements and other documentation obtained by investigators in relation to each identified participant. The witness statements provide evidence that has been relied upon to calculate the value of alleged fraudulent Payment Request Claims.

    c) Based on the information in the witness statements, identify each Payment Request Claim that is allegedly fraudulent and calculate the total alleged fraud for each identified participant *(Annexure B.1 to B.26).*

    d) Provide a summary of the total alleged fraudulent amounts claimed and received by FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD, THE HIVE PTY LTD and INFINITY LIVING OPTIONS PTY LTD *(Annexure B).*

    e) Reconstruct the transactions conducted on the bank accounts held in the name of FORWARD FOCUSED GROUP PTY LTD *(Annexure C).*

    f) Reconstruct the transactions conducted on the bank accounts held in the name of HYBRID HIVE PTY LTD *(Annexure D).*

g) Reconstruct the transactions conducted on the bank accounts held in the name of INFINITY LIVING OPTIONS PTY LTD *(Annexure E).*

h) For each alleged fraudulent Successful Payment Request claim that has been submitted for the identified participants, trace the credited (deposit) transactions into the relevant bank accounts. As Payment Request Claims have been submitted both directly to NDIS and via a Plan Management Agent (PMA), the relevant credit transactions (deposits) can be directly received from NDIS or via a PMA.

40. It is not represented that this financial review captures all transactions of Vida REID, Simon REID, FORWARD FOCUSED GROUP PTY LTD [FFG], HYBRID HIVE PTY LTD [HH], THE HIVE PTY LTD (TH) or INFINITY LIVING OPTIONS PTY LTD [ILO] during the review period. This financial review is based only on documented transactions as established in bank accounts and documents obtained in the course of the investigation and provided to me. Should further information subsequently be made available, I reserve the right to amend my statement accordingly.

CALCULATION OF ALLEGED FRAUDULENT PAYMENT REQUEST CLAIMS

41. I have created a summary spreadsheet detailing the total identified amounts of alleged fraudulent Payment Request Claims that were submitted against the plans of each identified participant, which is attached as Annexure B.

42. Annexure B provides a summary of the alleged fraudulent Payment Requests claims or invoices submitted against the plans of the identified NDIS participants on behalf of FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD and INFINITY LIVING OPTIONS PTY LTD during the period 04/02/2021 to 03/10/2022, sorted by "Participant Name". Annexure B is a summary based on the information and calculations of each participant which is detailed in Annexure B1 to B26.

WITNESS PRODUCES AN ANNEXURE TITLED: "Annexure B – SUMMARY OF ALLEGED FRAUDULENT PAYMENT REQUEST CLAIMS PAID INTO BANK ACCOUNTS OF FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD, THE HIVE PTY LTD and INFINITY LIVING OPTIONS PTY LTD during the financial review period – sorted by Participant.

43. Based on data in Annexure B, between 04/02/2021 and 03/10/2022, the value of alleged fraudulent Payment Requests Claims submitted by FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD and INFINITY LIVING OPTIONS PTY LTD and have been credited (deposited) into related bank accounts totals **$1,475,870.97.**

44. To assist in the identification and calculation of the alleged fraudulent Payment Request Claims, I have created schedules based on the data from the "Successful Payment Requests" reports exhibited in the statement of James WIDLAKE (marked as "VRJ/JW01", "VRJ/JW02", "VRJ/JW03") (Annex A Items 39 – 42) in relation to each participant identified as having alleged fraudulent claims against their NDIS plans. These schedules are attached as B.1 to B.26 (produced below).

45. I have extracted the data relevant to each participant, producing a detailed listing of all Payment Request Claims for services submitted (either directly to NDIS or via PMA's) by FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD and INFINITY LIVING OPTIONS PTY LTD.

46. I have sorted the extracted data into the 'Name of ABN Provider' [Col. 17], and separated the Payment Request Claims into the provider who submitted the claim or invoice, being either FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD and INFINITY LIVING OPTIONS PTY LTD.

47. To facilitate the presentation of the extracted data and the calculation of any alleged fraudulent claims and reference to evidence supporting the interpretation and calculation of the alleged fraudulent claims, I have utilised 23 columns within the schedules, refer Annexure B.1 to B.26. Columns 1 to 16 have been extracted from the "Successful Payment Requests" report data fields (refer para 43); Column 17 is the name of the ABN Provider, of which I obtained by doing a search on 'ABN lookup' and identified the holder of the ABN; Column 18 is extracted from the relevant witness statements and forms the basis of classification of Payment Request Claims as allegedly fraudulent; Columns 19 to 22 are calculations determining the amount of possibly fraud for each claim; Column 23 are any relevant comments in relation to each claim. Table 3 below is an explanation of the 23 column titles used in the presentation of data in Annexures B.1 to B.26.

General Assumptions

55. In carrying out my review, I have made the following assumptions:

- The bank account statements used in this financial review (refer Table 6) represent the transactions of the named account holder;
- That a cash deposit recorded in the transaction description on the bank statement is cash;
- That an Automatic Teller Machine (ATM) deposit, unless otherwise stated, was treated as a cash deposit;
- ATM withdrawals were treated as cash withdrawals;
- The transaction descriptions recorded on account statements were relied upon to reflect the substance of the transactions (unless further information has been made available).

Input and reconciliation of financial banking records into spreadsheets

56. To reconstruct the transactions conducted on the bank accounts of FORWARD FOCUSED GROUP PTY LTD, HYBRID HIVE PTY LTD, THE HIVE PTY LTD and INFINITY LIVING OPTIONS PTY LTD a character recognition software package was utilised to convert bank statements from portable document format (PDF) files into data files which are then uploaded into spreadsheets. Due to the variability in clarity and presentation of bank statements, minor errors in the date and description of the transactions may exist.

57. I reviewed all the transactions entered into spreadsheets and I am satisfied that the data is materially correct. I have based my conclusions on the following data integrity controls

and processes. Each bank account is not considered balanced until the following has been established:

- The total debits and credits reconcile with the bank statement;
- The opening and closing balances reconcile with that of the bank statement (that opening balance plus total credits minus total debits equals the closing balance of the account); and
- Data sorting by date to ensure there are no date anomalies, and that all transactions contained within the spreadsheet are within the date range of the bank statements and financial review period.
