Hi Marisa,

I hope you are well.

I was awaiting a few days for a response from the CEO at Westcare, after my call with the manager Janel.
Unfortunately, they have not increased the pay rate for Anthony. This will be assessed at the 3 months' probation period.
Please advise if you would like to go ahead for the 8 hours on Mondays to start next week 7/06.

In the meantime, I will continue to search for the next employment opportunity for Anthony.

Hi Terri

Thanks for your email.

Just to make you aware of the conversation I had with Anthony's mother, Marisa, the intention was to inform her of how we operate as she has every right to be aware of

t: RE: Anthony

Hi Nadine,

I'm unable to give you the answers as no invoicing has been sent through and neither has anyone contacted me. I feel I have been very transparent with Anthony's current activities and concerns of Anthony being in burn out mode with his new employment, study and upcoming driving lessons.

We cannot conduct any service agreements at this moment in time as we have no invoicing and unsure on the budget we have for the remaining of Anthony's plan. Can I kindly request the invoicing be sent for me to do the calculations on Anthony's budget before we go ahead and book anything in future?

Warm Regards,
Terri Roberts

Good Afternoon,

I would like to follow up the concerning conversation that was had with my participant's mother. As you know, the NDIS is a very complex module, when any requests have been sent through this can be fairly timely process. I don't think this is a fair conversation that was had and very unprofessional in my option. We cannot allocate funds that is not current in the NDIS plan. I understand the referral form was sent on the 30/03/21 which is still being processed by the NDIS and not yet approved. I kindly request you do not reach out to the participant mother Marisa in the near future as I'm currently chasing the NDIS for the approval, as this is my role as support coordinator. We cannot go forward with driving lessons until this approval comes through. You will be the first point of contact when approval does come through.

I appreciate you seeking assistance to myself in the near future regarding Anthony and his NDIS funding.

Hi Justine,

Can I please request this concern be passed to the staff who work for that department, or request a email address to forward this concern as I would like this to be addressed. This takes away choice and control, and intimidated my participant mother. This conversation should have not been had. If you can assist in directing me to the correct department, this will be very much appreciated.

Warm Regards,
Terri Roberts

Hello Terri,

I don't know what conversation you are talking about. We have completed the assessment. Please contact the driving school directly for your concerns. Drive Perth is an independent company and a NDIS service provider. We are two seperate companies. We don't have any dealings with Anthony or his mother following the assessment.

Regards,

Justine

Hi Terri
On Friday I had the driving school call me asking me to sign contract because if the plan doesn't include enough money they want me to pay fir it. I told him if the plan doesn't cover it I'm not signing anything . He also told me it was my job to chase up NDIS for the plan, has PerthDriving School contacted you also?

SC asked Anthony how he is managing with his tafe and other activities he attends weekly. Anthony stated the two days is perfect for him and its working out really well for him. Anthony stated he has been on two stations in total including the mask section. Anthony is happy to be an allrounder and has been accompanied by other co workers on his lunch breaks so he feels he now has friends in the work place. Anthony's next shift is this coming friday where SC will conduct another PPS appt

CS spoke with Nadine from Life care who Anthony is currently linked to for mentoring.
Nadine called to ensure Anthony's funding will be sufficient for the rest of his plan. Nadine advised Daniel Anthony's mentor picks Anthony up on Thursdays for activities in the community from 10am- 2pm at $55.47 per hour. Nadine also advised the KM's for weekly activities per hour is $55.47. Total amount of 5 hours per week.
SC viewed current funding which is running very low. SC relayed this information to Nadine and is awaiting call back from provider choice to request break down of funding and invoices paid from the mentoring.
