Hi Dianne,

Yes she did and I'm so sorry to hear the news. With the VET attempting to contact Leah, can I ask what for as this is a little outside our role as support coordinators.

Good Afternoon,

Thank you for reaching out on the behalf of Bianca. Unfortunately Vida is currently in hospital and all emails are now being forwarded to myself to action. Vida is due back in the office in the next two weeks.

I have contacted the NDIS regarding the email below. The NDIS advised you have received an email for an appointment that has been booked in?
Are you able to share this email with me to ensure we are ready for the upcoming review? The NDIS are unable to locate any dates that have been booked in but again confirmed an email that was sent to yourself as the s48 has been approved. Feel free to contact myself or the appointed support coordinator Rachael who will help navigate the upcoming review ??
