Subject: FW: Referral for our client Briannon Dennis for Speech and Physio therapy

Good afternoon Tania,

I have forward the recant email I have received from Concentric rehab just so you can also have a read, I do apologise for the long wait with the therapies as they keep changing.

If your happy for me to do so I can send a referral off for empower health services for Brianna as they have been getting in contact within a week the latest. I'm more then happy to send that referral off if that's something your wanting me to do.

I do believe going with Empower for the Physio and speech therapist would be best as they are pretty quick to getting on to things.

Please let me know what you would like me to do.

Kind Regards,
Chloe ??
