22/06/2022	Janine Hall	15 minutes	1. General Notes	Info for Complaints register	2. 1/6/22 Clare Vernon Clare was not happy that she had a change in Support Coordinator. She was not happy with the way it was handled, in that I was not given a chance to call her and she received a call from a “random” person to advise her of the change. She also preferred to stay with a SC who knows her well and she feels comfortable with as she is a very private person. Clare is in the process of obtaining SIL funding and accommodation so she was concerned that a new SC coming in would not be fully versed on her situation and requirements.	$0.00
