17/06/2022	Alex Bowers	2 hrs	Email	Emails form Jan And Corina	Jan has Emailed Corina RE: the issues Corina has been having with SW's and apparent problems with her SC. Jan has spoken with Corina via Email, Please see attached emails for Details	$200.28
16/06/2022	Jan Nuttal	15 minutes	Phone Call / SMS	unanswered calls - 11.20am & 3.17am 16 June	attempted to call Corina twice at 11.20am and 3.17pm Sent txt message on both occasions - last one requesting Corina to advise when she would like me to call back	$0.00
16/06/2022	Jan Nuttal	3 hrs	Phone Call / SMS	Phone email & SMS - Ops Mgr & CA - May/June 2022	** Large Note printed below.	$195.27

Attached is SMS conversation between Corina and myself (Ops Manager) from 7 June - 15 June 2022. Also attached are emails from May/June.
Following meeting with Corina on 6/5/22 at her home (Alex attended) we have been attempting to sort out support workers for her, follow up on continence/dialysis products for her and also look for things todo that would fit in with her medical schedule - Physio at home Mon/Wed/Fri, Dialysis at home every 2nd day, Podiatry at FSH Monday fortnightly, Reflexology Mon and Wed. Corina also has other FSH appointments.
Discussion around support worker requirements included the need for SW from phillacare needing to be replaced after 20 May and whether these shifts could be picked up by Janeece from the Hive. Alex was tasked with liaising with the Hive (Janeece) to sort this out.
Multiple calls and emails between myself and Corina have resulted to little as Corina becomes angry accusing me of not understanding her and her medical situation.
Most recently I spoke to her of a yarning group run in Armadale by a Noongar woman where she could potentially share her personal business with others. Even trying to connect Corina to this was difficult.
Corina has been txting both Alex and myself separately which has caused further confusion.
Corina asked for us to come out a 5pm on 13/6 which when I agreed to come but let her know wouldnt be there at 5pm exactly due to traffic, said nevermind (this was at 5.19pm).
I have discussed at length with Ozzy from The Hive the requirements that Corina said she wanted regarding a SW including that the person not be Indian or African.
I have liaised with HR from the Hive around potentially employing a Noongar worker for Corina also.
Currently multiple attempts have been made to access the new plan that Corina has received from NDIS which includes funding for SDA - we have been unsuccessful in receiving a copy as it was the previous SC who lodged the plan review, the plan manager will not provide to us despite consent forms being submitted to NDIS.
Awaiting copy of new NDIS plan, waiting for phillaare to return calls regarding SW shift requirements, the Hive to come back to us

Please see part 2 for the rest of the notes.

She claimed that she had cancelled this service (or not agreed to it) and so she sent that support worker away. Corina had previously emailed this morning, a copy of the email with Philiacare, confirming the supports they were providing for the whole week. See attached Corina called again mid morning to complain that the support worker didn't like her dogs and wasn't doing a good job and had asked again what was required with the cleaning tasks. I then had a phone call form the support worker who said she wasn't really bothered by the dogs but was feeling uncomfortable about the way she was being spoken to and that Corina and her husband were yelling and having a domestic. She felt uncomfortable and said she wanted to leave. Simon sent Brodie from the Hive and the new RN to see Corina and take the Service Agreement from the Hive which needed to be signed for support work. I attempted to call Corina a number of times, but was also aware that she had a physio appointment so I emailed her a copy of the Service Agreement so she could check it out and to let her know that Brodie and the RN were on their way. 20/04/2022	Janine Hall	30 minutes	General Notes	Phone call/emails re support work	At 12.23pm I received an SMS stating that the Support worker was leaving and Corina stated she didn't know why, and who would now be providing her support. I immediately called her and tried to discuss the situation. She was very agitated and not happy with the support worker or the fact that Brodie from the Hive and the RN were at her door with a Service Agreement to be signed. I tried to explain that the SW had felt unsafe and very uncomfortable with the domestic argument that had been going on and that they had been yelling about calling the police. Corina said she was very stressed and became abusive over the phone to me. She wanted to know why we had sent the people with the service agreement and that she had signed one already. I once again tried to explain that the Service agreement she had signed was for SC and that this was so that we could provide SW on an ongoing basis. She then shut the door in their face and hung up on me. Later in the afternoon she sent the emails that are attached.	$50.07
