She claims that Daniel's pension is approx. $900 per fortnight so is unsure how the rent can be set at $216 if your rate is 30%. Can you clarify if this is a set rate or if you need certification from Centrelink around his fortnightly pension. Would the cost change if they chose to go with the furnished Airbnb option? The other information that she would like is the costing around supports. Can you provide a quote that reflects the minimum 8 hour care as well as a quote for 24/7 care with a Non Active night shift? Vicki is very clear that support staff need to be younger men, and that Yaran can accommodate Matthew and Troy providing some hours of care for Daniel.	$48.82

Conference call and follow up discussion with colleagues Hi Vicki and Laurie It was lovely to meet you yesterday and to discuss the housing options for Daniel. You mentioned that you wanted an email with the costs and the procedure involved in securing the housing. I have confirmed some details with Nadav from Yarran – Their requirement is that tenants have a minimum of 8 hours of support per day. Their cost is 30% of the Disability Supplement Pension, which would equate to $216 plus utilities. As we mentioned yesterday, Daniel can apply for a Homeswest Bond loan and also for Centrelink rental assistance. If you decide to go ahead, you can make an application straight away for the Bond loan and the rental assistance application can be done as soon as the lease is signed. I have attached the documents required for these applications and also an information pack that explains how the SIL works and what is included. We will confirm with Nadav regarding the exact costs and will forward that to you ASAP Phone conference with Vicki, Vida, Elanor and Janine to discuss the Yaran housing options. Vicki asked for a quote that showed details of the rental charged along with the cost of supports (one showing 8 hours of support per day and another showing 24/7 support with an inactive night shift.	$130.18

Subject: RE: Service Agreement

Hi Elizabeth,

Thank you for sending through. I have went through In detail and the below will need to be amended if possible –

Plan manager details – Forward Focused Group
We here at FFG are support coordination, this will need to be changed to Provider Choice.
invoices@providerchoice.com.au

This is the service agreement, we will require the Roster of Care. I have attached the documents you will need to conduct this service of support independent living.
We will require this documentation as we are going for a early review in hope for SIL to be implemented in to the plan. This will also assist with reports the NDIS will require when going for the review.

If you can please have this back asap.

Thank you,

Terri R

Subject: RE: Daniel's report
Importance: High

Hi Laurie,

Thank you for sending this the detailed report through for Daniel Clark. I have attempted to contact your office and mobile number attached at the bottom of this email. I have left a detailed VM to return my call.

I have went through this report in fine detail and need to advise the amendments that will need to be corrected prior to submission as some information is incorrect.

“Parents built a granny flat at the back of their house for him” – Can I kindly request this be taken out of the report attached. I have highlighted the area this is located.

The NDIS will not accept this report, as this is not signed off by a appointed psychiatrist who has diagnosed Daniel with Level 3 ASD. This cannot be signed by a registrar as they will decline this as not meeting the guidelines of being a “allied therapist”. Once this has been amended I can submit to the NDIS along with change of circumstances with new diagnosis of ASD level 3.

Thank you for your assistance and look forward to speaking with you,

Hi Vicki,

I feel she may have miscommunicated the previous email. Please ignore the poor wording.

Are you able to advise if you would like to proceed for provider choice and the new service agreement to allocate more hours for this report from Daniel's NDIS plan?

Hope you are well ??
