Thank you for contacting me today I do apologize for the delay in response.
I have sent a referral for psychology as requested and I will advise once an appointment has been booked in.

You did advise via SMS, you are struggling in your current home? Can you break this down a little bit so I can assist in any form of way?
I have had 4 new staff commence today including recovery coaches (mentors for mental health). If you would like me to link you to a recovery coach, please advise ??

I will push through the sense of urgency for psychology and update you tomorrow.
