I have also sent an email to Eve explaining the situation with Ikram and FFG. Ikram has informed me she will have to stop services for Eve untill we receive the new plan. I have explained in the email that this is due to no funding in her plan and that we have not heard from her for over a month (even though i have made numerus attempts at contacting Eve) that FFG would also most likely have to cease service for Eve if we do not have the consent forms as we need these to be able to assist Eve with supports. please see attached email for details.	$75.11
21/02/2022	Alex Bowers	45 minutes	Email	Emails regarding Eve	this morning i have received an email from Ikram stating that she has tried to get her SW's to assist us with getting the consent forms signed for FFG, as she is refusing to sign these after we have tried to comply with her requests of having them changed from Hello sign to a PDF copy. Eve has still refused to sign these so i have sent her a SMS and Email asking her to please sign these or to call me so we can arrange a time for myself to go and meet with her to get them signed as if we do not get these signed we are unable to support Eve correctly as i will not have consents to speak on her behalf. 01/02/2022	Alex Bowers	30 minutes	NDIS Consent Forms	Email to Ikram	This morning i have emailed ikram for help with getting the consent forms signed and sent back to FFG. when ikram, Sally, Trace from foundation housing and my self all met in person, ikram said that she would be able to help me get these signed as i work/live quite far from Eve and Ikram can get a SW who lives close to Eve to go and help her sign the forms. i have sent the consent forms to ikram via email	$50.07

21/01/2022	Alex Bowers	45 minutes	Meeting	Face to Face meeting with Eve	After the Meting with Sally, Ikram, Tracy and myself, Ikram and I wanted to go meet with Eve face to face for a couple of reasons. 20/01/2022 Eve was a little disgruntled that myself Ikram and the SW where all there at her house, became less disgruntled as i explained why i was there for her. Firstly i wanted to meet with Eve to introduce myself and explain to her what my role is and how i can assist her with supports and how i can link her to other supports if required. Ikram asked Eve about the screaming. Eve denies this and has said that the only time she yells at night is when "a Jesus looking like man comes and cuddles in bed" with Eve, as far as Tracy my self and ikram are aware no one comes to her house at night, we believe she is having hallucinations or another form of them. I have informed Sally about his as she may be able to help Eve with counseling. Ikram asked Eve about the apparent use of SW's to help eve pick up some Illicit drugs. as Ikram mentioned this Eve became very VERY disgruntled, dismissive and a little aggressive towards Ikram about the SW stating "she is lying she did not see anything did she, do NOT send her back to my house she is spreading lies" OBSERVATIONS: Eve's house is in a bit of a mess, there are books, DVD covers, bowls and other items spread all over the floor and her bed. she	$48.82
21/01/2022	Alex Bowers	1 hr 30 minutes	Meeting	Meeting with Supports/ Housing	** Large Note printed below.	$97.64

Yesterday 20/01/2022 Sally and Myself met with Tracy (foundation housing) and Ikram (Empowering Community Disability Services) Regarding Eve Adam.

The meeting was held as Tracy has been getting complaints regarding Eve. it has been reported that at night Eve is screaming and yelling in her house and playing music and podcasts relating to GOD and preaching to him. Tracy has said that she has no problem with Eve staying at the property and does not want to ask her to leave as she has been a very good client to her.

Tracy has also offered/suggested and has given permission for us to be able to install roller shutters on her windows and doors for Eve so she can have her peace and quite at night to help prevent having the other neighbors complain about her being up late and listening to her music/podcasts but do not have a problem with her during the day, this will also help her with being able to sleep better at night and it stops other people from bothering her at night.

Ikram has also expressed concern about Eve Apparently using SW's to go and pick up illicit drugs. Ikram's support workers goes over every weekday for 4 hours, 10am to 2pm. And would usually bring her shopping, watch movies, and community participation. unfortunately ikram has now brought to my attention this concern and i will be contacting her DR to discus her Medications and what she is apparently having to see if there is a bad concoction of medications being taken that do not mix with the illicit drugs and to express that this is a concern for us and the SW's

Sally has suggested that Eve might need to go for a Psychologist review as the SW's has said that she will scream for no apparent reason wile the SW is trying to drive (most likely due to her autism) and due to her not being able to sleep at night due to possible nightmares and or other issues keeping her awake at night.

20/01/2022	Sally See	45 minutes	Meeting	Meeting with Eve	After the meeting with Ikram and Tracy, SC Alex asked if it would still be a good idea to visit Eve - especially because of the continuous unsuccessful contacts. I highlighted that it would be a good idea especially because she could put a face on your number/emails, and Alex could formally introduce himself to her. Ikram, Tracy, Alex and myself agreed that it would be too overwhelming to have too many people to go and overcrowd her, so only Alex and Ikram went in and visit her. Alex had mentioned to me that Eve appeared slightly swamped when Ikram and Alex showed up, and that it was a good idea that I did not see her.	$0.00

20/01/2022	Sally See	1 hr	Meeting	Meeting with Ikram and Tracy	Alex and I went to Stirling and had a face to face meeting with Ikram and Tracy (housing manager). Tracy highlighted that Eve has been an amazing tenant and they never had an issue with Eve before, but Eve's neighbours are highlighting concerns about her constant screaming at night. Tracy added that Eve and her female elderly neighbour has a love/hate relationship where the neighbour would assist Eve to walk her dog, and occasionally assist in cleaning's Eve's house. On other days, Eve reckons that the neighbour is too nosy, and the lady would reckon that Eve is playing her music too loudly. Eve had mentioned to Tracy that she would like shutters to be installed in her windows and doors so that her nosey neighbour does not 'spy' on her. SC Alex mentioned that he would look into them. The neighbours believed that Eve had been feeding her late-dog bread which caused it to pass away in November. Ikram's support worker goes over every weekday for 4 hours, 10am to 2pm. And would usually bring her shopping, watch movies, and community participation. Ikram mentioned that there may be uses of illicit drugs, and Ikram's support workers are concerned that Eve is using the SW to pick up the drugs and transporting them. We agreed that SC Alex should contact the GP to understand what medication she is on and to highlight that she is using illicit drugs.	$100.14

Tracy expressed that there are concerns regarding Eve's behaviours - she would be screaming and shouting at nights. Eve's neighbours were the ones that informed Tracy, and they voiced their concerns. It is suspected that she is grieving as her dog had just passed away on 12/11/2021. Tracy had highlighted that Eve had always been a wonderful tenant, and they have never had an issue with each other - thus her recent behaviours is worrying. We are trying to arrange for a face-to-face meeting and visit Eve at her residence. :)	$75.11

13/01/2022	Alex Bowers	45 minutes	Meeting	Phone meeting with Tracey and Sally	Had a Phone meeting with Tracey from Foundation Housing and Sally (ASM) from FFG Tracey wanted to express concerns about Eve, as the Neighbors have not complained but have expressed concern about Eve. for the last couple of weeks Eve has been up late at night shouting and being quite upset. we think this is due to her dog has passed away on the 12/11/2021. Tracey has said that Eve has been a wonderful tenant and has never been a problem or had an issue with her, she still doesn't have an issue she is just worried about Eve as this is not normal for her and from what Tracey has seen "this is very different from her normal patterns" I said that it is great that Tracey has spotted this and brought it to our attention. all 3 of us have decided to have a meeting together on Monday the 17/01/2022 before we go and meet with Eve and talk with her to discus options for her and how we can help with the grieving of her dog as the dog seemed to be a very big part of her support network	$48.82

Hi Hannah,

I am happy to send though this information however I did want to clarify the process of payment.

The client is an NDIS participant this means her plan funding is going to be paying for this service.

The process is you undertake the works then send through your invoice to the clients chosen plan manager they are like an accountant (I am able to give you these details)

The plan manager then send of your invoice to the NDIS and the funds are deposited into your chosen account.

The process step are set out by the NDIS and we are unable to process any payments in advance it has to be after the works are undertaken.

Please let me know if you are ok with this process and I will send you through all the details that you need.

Thanks for taking the time to speak with me today, Michael.

As discussed we have a lady in Westminster who needs a celanup of her unit in Westminster to enable regular cleaners to attend. I currently don’t have any photos to show you but I would assume that it is smelly and not pleasant, but there are no other biohazards like needles etc.

If I can please get an estimate for a four hour clean with one person or a two hour clean with two people, just to get the place sanitized. As mentioned we regularly get these type of jobs so happy to make you our go person for this type of work if the price is reasonable. Thank you for your time.
