20/10/2021	Rachael Thomas	1 hr 45 minutes	General Notes	Meeting (Initial)	SC Rachael and Michelle met with mum Jodie for an intital meeting. Contact details were checked and the NDIS process was explained in great detail. Lawson has a plan review planned for November 26 or 29th, mum will let us know. Luke has been working with Lawson and has created Behavioural Analysis and other reports which are on the system. Mum will forward the FCA to us. Disabilites: ASD, ADHD, Epilepsy and brain damage - mum will forward any information that she has. Lawson likes to have swimming lessons as part of his social and comunity access - Deb's Dolphin School, however he can only partake this term due to lack of funding. Music Therapy is also something mum would like to have included in the next plan. Discussed the funding situation and have explained that FOI may be beneficial, to ascertain why his plan was so minimal and lacking in adequate social and community access - and funding in general. SC sent the link to FOI from the NDIS website,	$0.00
