I have just been in contact with Jodie (Lawson Bennett's mother) she was a little annoyed that I called her due to this being the 3rd call she has received asking if Lawson is still a participant. She has stated that last year "when she was first contacted" that she did not want to continue services with FFG, and she was charged 15 minuets for a 2 minuet phone call. She has asked if we can not charge her for the call I made today as it was only another 2 minuet call.	$0.00

25/01/2022	Alex Bowers	30 minutes	Email	Email sent to Jodie	I have sent through an email to Jodie as i have not contacted them in quite some time and i wanted to know if they where still wanting to use the services provided by FFG. i have also requested that if Jodie would like to continue her services with us if she could please send myself the latest NDIS plan so we can add it to our system. have also spoken to Sally and Danica regarding the Participant and the NDIS plan.	$32.55

20/10/2021	Michelle Richardson	2 hrs	Meeting	Initial meeting	SC Michelle and SC Rachael met with Jodie Lawson's mother for an initial meeting. Jodie advised that Lawson had been working on PBS with Luke and reports are on the system. Jodie has advised that a FCA has been completed and she will forward this to Rachael. Jode also advised that she is going for compensation against the hospital for causing brain damage. The diagnosis are ASD, ADHD, Epilepsy and brain damage. Jodie advised that she has a date for a review in November to try and get some more funding. Jodie also advised that Lawson has been doing swimming lessons which he greatly enjoys but is only able to do it for this term as there is not enough funding to continue. Rachael advised that Jodie should complete a FOI to find out why there was such a low amount of funding given. Rachael will send through the FOI information.	$130.18
20/10/2021	Rachael Thomas	15 minutes	General Notes	Request to put Support Cordination on hold	SC spoke with Jodie who explained that although she is very grateful for our meeting this morning, she has spoken to her lawyer who has advised her to put things on hold for the moment, as they are currently going through the compensation process. The lawyer has advised that they have to be very cautious with information and feels that it wil be beter to hold off with dealing with the NDIA and funding etc. just for the moment. Spoke with the lawyer from Julian Johnson Lawyers, who explained that right now the focus is on the compensation claim and they do not want anything submited to the NDIA. They will wait until the next plan is aproved to seek our services. *No further Suport Coordination follow ups until further notice.	$16.27

20/10/2021	Rachael Thomas	2 hrs	General Notes	Initial meeting	SC Rachael and Michelle met with mum Jodie for an intital meeting. Contact details were checked and the NDIS process was explained in great detail. Lawson has a plan review planned for November 26 or 29th, mum will let us know. Luke has been working with Lawson and has created Behavioural Analysis and other reports which are on the system. Mum will forward the FCA to us. Disabilites: ASD, ADHD, Epilepsy and brain damage - mum will forward any information that she has. Currently going through lawyers for compensation - due to brain damage sustained at birth (in the hospital). Layer Sue Hilman from Julian Johnson Lawyers has explained that the ASD diagnosis is not correct (and they are fighting to prove this). She advised that it is an ABI - acquired in the first hours of his life. Lawson likes to have swimming lessons as part of his social and community access - Deb's Dolphin School, however he can only partake this term due to lack of funding. Music Therapy is also something mum would like to have included in the next plan. Discussed the funding situation and have explained that FOI may be beneficial, to ascertain why his plan was so minimal and lacking in adequate social and community access - and funding in general. Also discussed the way that FG would bill her - from the CB budget. Jodie consented to this	$130.18
