Subject: Consent forms for our participant Lesley Hodgson - NDIS number : 431148672

Good Afternoon,

Please find attached consent forms for our participant Lesley Hodgson.

nd close it everyday. That is his number one priority to get fixed first, Lesley stated he wants a house keeping/ support worker twice a week for 2 hours to clean around the house and possibly sort out the shed and make it all nice and organised as at the moment its messing and there is things everywhere.

He is wanting a gardener that can come probably come once a fortnight to do the front and back. Lesley lives alone and his plan manager is (your choice) her name is Fiona. he is going to down south therapy her is Sarah, Lesley stated he needs to go for a review to get more funding because what's in his plan will run out before his new plan. Lesley wants a tablet and Bluetooth headphones as he cant do anything on the phone he has, Lesley has a pool but find it very difficult to get in and out of he would like to be able to get in and out without having to struggle. I need to call down south and speak to Sarah to get all reports she has and get them sent to FFG.

I have filled in profile and uploading the consent forms/ send them to NDIS, also sending a copy to Lesley.

Called Gary that is doing Lesley's doors I asked Gary what the go was with the doors, Gary stated he is at Lesley's house now putting a clear coat on the front door I have received photos of the door and receipt of the little things needed for the doors.

I then asked all up how much hours has he done Gary stated he did 7 hours yesterday as Lesley asked him to fix the 2 bedroom doors and had to get parts for the front door. Today Gary stated he will be there for 3 hours putting a clear coat on the front door. for Friday will be 1 hour and half to fit the door.

Lesley has ask Gary to do all these other little things in his home but since Lesley does not have enough funding I informed Gary to just finish the front door and leave it as that for now until he gets more funding. I stated that if Lesley keeps asking you to do other things his funding will go quicker then he thinks. I asked Gary if Lesley is happy with what Gary is doing and he stated yes he happy with Gary's work.

Called Gregs Glass to see if they they fix Lesley's back door, they will need confirmation from the plan manager to confirm that it will get paid. I have tried to call Fiona the plan manager but there was no reply the quote for the door was $200 to $250 and if there is anything else it will go up.

Called Gary for a handy man as requested to fix his door, it was all booked in for tomorrow at 8am but Gary stated to Lesley that he would be unable to do the door as it is something he is unable to fix so he has mentioned to give glass in Rockingham and see if they can do it.

Called Lesley in regards to confirm that what he needs done, and to confirm if he is still good with changing from down south therapy to ORS group as the one he is currently with has a waiting list and they don't know how long it will be, Lesley stated he is happy going to ORS.

I have arranged a cleaner to come for every Friday's for 2 hours in the afternoon, I will contact Lesley to confirm and see if he is okay with that. I called Martin from Agapa to see if they had a support worker that can come and take Lesley to his appointments but because they not constant they will most probably not be able to do that.

I have Called Doniya the support worker to see if she is available for Thursday next week to take Lesley to his appointment but she has class that day so she is unavailable. I will see if Kim the cleaner that is in Rockingham if she can take him to his appointments.

h something he will then sack you.

Anna stated that with his funding he can be very difficult as he wants all these things but is not wanting to use his funding up as there isn't much of it. I was informed by Lesley that there will be $1,000 getting taking out of SC funding due to his old SC I then asked Anna what was billed and how much hours. There was 10.25 hours billed and the rate is $100.14 that will leave Lesley for SC funding $2,280. I was informed he has been through a lot of SC as he isn't happy when things get done but they cost money. Lesley stated the SC is too expensive.

Anna stated that Lesley can have violent outburst he will smash his phone, and other objects in the house and that is why he has hardly no furniture.

Email back from Fiona with the portal details so I can see all Lesley's funding, there hasn't been anything taking out as of yet.

Called Sarah from down south therapy, Sarah stated that Lesley was with them last year and there was a FCA done I then asked if that can gets emailed to me and I have now received it. Sarah has stated that Lesley is on a waiting list and does not know the date it will be done.

He has physio once a week on Saturday. I asked Lesley if he knew how much his current cleaner is charging and he stated he does not know, I will call his plan manager Fiona and see how much it is.

Lesley called and stated he spoke to NDIS regarding his review for more funding, they stated that nothing has come out his funding so why is he requesting more funding. Lesley stated that no invoices has come out yet and that is last support coordinator spent $1,000 so that leave us with only $2,280 for support coordination.

Lesley is just waiting to make sure there is enough funding for FFG. I then asked what he would like to to with Tracey the cleaner, he stated that he wants to keep her as she is really good and she also take Lesley to his appointments. He asked if he can have Tracey and also the other cleaner that we arranged for him. i stated that we have told Kym the cleaner that Lesley no longer needs him as he stated he going to keep Tracey.

I then asked Lesley that if he is okay with Tracey the cleaner to work 2 days a week and for 1 day for an hour and the other day and hour and half. Lesley stated he is happy with that. I informed Lesley that I am still waiting for a quote back from safe n clean to give me a quote.

Lesley stated that Grey's glass come out yesterday to fix his back door and he state that the door is ow fixed, Gary the handy man has finished painting and putting the clear cot on the front door and he will be fitting that on Friday and that will take 3 hours. I then asked Lesley if he is happy with his back door and front door, He stated he is happy with how fast this got done.

Lesley stated if we can send out invoice through so the plan manager can see that he is using the funding.

Lesley called yesterday regarding the door he stated he is very happy with the job Gary has done. Lesley stated there is someone coming out from Greg's Glass in Rockingham to look at his back door. Lesley stated he has sent through the receipt for the door and the other little bits for the door.

Lesley stated he had to take his funeral money out to pay for the door and asked if he can get that refunded back into his bank, I then asked Leah the service manager and she stated yes he should be able to get refunded back into his bank. I received an email stated from Lesley that he now wants to keep Tracey his cleaner as he stated he likes to stick to his word and would feel bad if she left.

I stated that when we had a talk on Thursday that we would need to find a cheaper cleaner as Tracey is on $50 an hour and Lesley does not have the funding to have the cleaner as well as gardeners.

I broke down the numbers to see how much he has for the year for cleaners and gardeners and for every week he only has $187 to spend. and if he keeps his cleaner he might be able to afford gardeners as well but if Lesley gets m

ore funding we will be able to do that. Lesley then asked if he will definitely get more funding, I then stated I can guaranty that he will but there is good chance but I wasn't promising anything.

Subject: Quote for Lesley's Security Doors

Good Afternoon Fiona,

Lesley has stated that he is needing security screens on his windows and front door as he doesn't feel safe and he wakes up 5 times a night from his anxiety and PTSD, I have arranged someone to go to his house to give him a rough quote and Chris attended Lesley's home today.

Chris that is doing the security screens quoted that his whole house was going to be around $4,000, I informed Lesley that he does not have enough funding for that and asked if he would be fine with just the front door and front windows for now. Lesley stated he is happy with that as that will make him feel more comfortable. The quote for just the front door and front windows is $1,540.

I informed Chris and Lesley that they will have to get confirmation by you first before they go ahead, Chris stated that it will take at least 4 weeks before they can fit the door and windows as he will need to make them.

I have attached the quote for the security screens that was sent to me from Chris.
If you have any questions please don't hastate to give me a call.

Thank you,
have a lovely day ☺
