I informed Lesley that Fiona didn't say she cant approve that but he just has to go and get a letter from his OT. Lesley's then asked about the refund as I stated to him Fiona was unable to refund the money back for his door. Vida stated that she would refund that back into his bank and he was fine with that, Lesley is also wanting his pool done as he stated it is green. He has got a quote from someone in Waikiki pools that was $150 to clean the pool, I stated to Lesley that will have to be added in the support letter as he does not have home modifications in this current plan but when he goes for a review he can request for that to be in his plan. Fiona then called after stated that Lesley has been calling her. Lesley said to Fiona that he was upset about how she didn't approve the funding for the security screens. Fiona stated to Lesley that she didn't say that all she stated was that he will need a support letter so it will cover their backs. Fiona also stated she will refund the money back for Lesley but that will have to get written in the letter. I stated to Fiona that Lesley has a meeting	$100.14

Subject: Quote for Lesley's Security Doors
Good Afternoon Fiona,
Lesley has stated that he is needing security screens on his windows and front door as he doesn't feel safe and he wakes up 5 times a night from his anxiety and PTSD,
I have arranged someone to go to his house to give him a rough quote and Chris attended Lesley's home today.
Chris that is doing the security screens quoted that his whole house was going to be around $4,000, I informed Lesley that he does not have enough funding for that and asked if he would be fine with just the front door and front windows for now. Lesley stated he is happy with that as that will make him feel more comfortable. The quote for just the front door and front windows is $1,540.
I informed Chris and Lesley that they will have to get confirmation by you first before they go ahead, Chris stated that it will take at least 4 weeks before they can fit the door and windows as he will need to make them.
I have attached the quote for the security screens that was sent to me from Chris.
If you have any questions please don't hastate to give me a call.
Thank you,
have a lovely day
Warm Regards,

Lesley stated that no invoices has come out yet and that is last support coordinator spent $1,000 so that leave us with only $2,280 for support coordination. Lesley is just waiting to make sure there is enough funding for FFG. I then asked what he would like to to with Tracey the cleaner, he stated that he wants to keep her as she is really good and she also take Lesley to his appointments. He asked if he can have Tracey and also the other cleaner that we arranged for him. i stated that we have told Kym the cleaner that Lesley no longer needs him as he stated he going to keep Tracey. Lesley stated he had to take his funeral money out to pay for the door and asked if he can get that refunded back into his bank, I then asked Leah the service manager and she stated yes he should be able to get refunded back into his bank. I received an email stated from Lesley that he now wants to keep Tracey his cleaner as he stated he likes to stick to his word and would feel bad if she left. I stated that when we had a talk on Thursday that we would need to find a cheaper cleaner as Tracey is on $50 an hour and Lesley does not have the funding to have the cleaner as well as gardeners. I broke down the numbers to see how much he has for the year for cleaners and gardeners and for every week he only has $187 to spend. and if he keeps his cleaner he might be able to afford gardeners as well but if Lesley gets more funding we will be able to do that. Hi Lesley, I have spoke to Greg's glass and they said they can do it for $200 to $250 and if it's something else it will be more, that is very cheap so that's a good thing. They need confirmation from Fiona saying it will be paid so I have contacted Fiona and she will be sending that email today, once that email has been sent to me I will forward that on to the glass man and they will give me a time when they can come out to fix it Also for cleaner I have found someone that can do once a week on Fridays for 2 hours in the afternoon and she is in Rockingham, does that work for you?
--- from Lesley

ut as soon as we do get more funding then we can get
them removed but for now priority is doors and cleaning and for gardening just
mowing and weeding
(2)
Are you okay with that?

Simon and I left Vida's house at 8:20am to arrive at Lesley's house at 9am and
arrived back to Vida's at 11:20.
Lesley stated he is needing a handy man to help with a few thing around the house.
He stated that someone came around to fix the back door as it wasn't sliding on the
hinge properly but now the door doesn't move and it is too hard for Lesley do try and
close it everyday. That is his number one priority to get fixed first, Lesley stated he
wants a house keeping/ support worker twice a week for 2 hours to clean around the
house and possibly sort out the shed and make it all nice and organised as at the
moment its messing and there is things everywhere.
He is wanting a gardener that can come probably come once a fortnight to do the
front and back. Lesley lives alone and his plan manager is (your choice) her name
is Fiona. he is going to down south therapy her is Sarah, Lesley stated he needs to go for a review to get more funding because what's in his plan will run out before his
new plan. Lesley wants a tablet and Bluetooth headphones as he cant do anything
on the phone he has, Lesley has a pool but find it very difficult to get in and out of he
would like to be able to get in and out without having to struggle. I need to call down
