24/10/2022	Ashleigh Oleksiuk	45 minutes	Phone Call / SMS	Phone call to NDIS and Surgical House	I called Lesley to touch base and to see how she is. Lesley communicated that she is needing an order placed for the Molicare mobile pants she uses, I advised Lesley that I will have that sorted for her today. I called Surgical House twice but was unable to get put through to speak to anyone. Surgical house returned my call and I placed an order for the pants she requires, I then asked for an estimated time on delivery, I was advised by Surgical House that they are short staffed in the warehouse so if delivery is not made by the end of the week, delivery will be made next week. I called NDIS to get an update of Lesley's change of circumstances (S48) and I spoke with Chris at NDIS - Receipt number 7004997575 Chris instructed that it is lodged and assigned to the team and it's waiting for an employer to be in contact to discuss the plan review meeting. After speaking with NDIS I texted Lesley to let her know her pants are ordered and the communication I had with the NDIS for her S48.	$75.11

I told her I was going to call NDIS to get an update on the S48 I previously submitted. I had a call with Tilly at Bassendean Cornwall house (OT) regarding Lesley and we discussed the report that Tilly has provided. Tilly advised that she has submitted it to NDIS and emailed me the report and receipt number from NDIS while on the phone. Tilly mentioned she has been trying to purchase Lesley a chime box for her video doorbell and Provider Choice won't process with the quote that was provided, they need an invoice or Lesley to pay upfront. Tilly explained that bunnings can't provide invoices, they only provide invoices once payment has been received. I advised Tilly (OT) that I can take over and she emailed me the email chain between herself and Provider Choice.
