SC had a meeting with recovery coach Troy who advised of the incident that occurred last night during early hours of the morning.

Levi came home from a party with friends. Prior to coming back to the house, Troy received a call from Levi who stated he was in a fight at the party and was bottled. Levi advised he had split his eye brow and the back of his head was bleeding. Levi then arrived home with his eye brow NOT split and he has a little scratch on the top of his head.

When talking with Troy advising what has occurred, Levi stated he is not stupid and can "beat the f**k" out of people who make him feel small. Prior to the fight Levi advised he fought someone because he has "beef " with another person over a year ago via social media. Levi turned to speak with a girl and got bottled by this person.

Levi came home very irrigated from the event and started to raise his voice.
Levi then began to bang his head against the wall and put a hole in the wall during this event.
Troy tried to deescalate the situation. once Levi stopped banging his head through the door, he asked Levi to come speak to him downstairs.
Troy went down the stairs first and Levi followed. Troy unlocked the front door to ensure a exit just in case Levi was to have another episode.
Levi went to the front door and locked everything back up again so Troy could not get out of the house.

Troy sat on the couch to discuss with Levi and Levi went in to the kitchen to grab a knife. Levi then came to Troy and pointed the knife at him and stated he will stab Troy.
Troy grabbed the household furniture to protect him from getting injured.
After 20 minutes of fighting with Levi and protecting him from gaining a stab wound Levi kept apologizing for the out rage moment.
Levi stated he could not remember doing what he done and said sorry multiple times.

During this meeting it was advised it would be recorded for any purposes needed in the near future.

SC called the police to advise of the incident that occurred over night. SC advised Levi will be required to be assessed due to the out burst. SC advised the police of the information troy provided and included the excitement of weapons Levi has. Levi watches lots of videos with people getting stabbed and Levi stated it satisfies him watching these videos.
SC asked the police to park down the street to not scare Levi when attending and wait for the recovery coaches to attend. SC advised the police to do assessment and possible check in to Graylands to be assessed as Troy advised Levi's pupils where dilated and he could potentially be in psychosis.
Recovery coaches arrived and spoke with Levi and the police. The police assessed Levi and stated he is not at risk of harm. Levi has been offere

d respite and it has been recommended to have 2:1 supports during this stay to prevent anyone being at risk. Police number - 779388

Hi Abdul,

Firstly, great news!!!!
I'm having issues with contacting Tracey for anything at this stage for Levi's current place of residence. I'm worried as this invoice is extremely overdue and could cost his accommodation very shortly.

This makes the roster very hard without the approval from Tracey. I will keep you updated on this.

Subject: case notes - Levi week ending 11/07/2021

Hi Terri,

Please see attached the shift case notes from the shifts with Levi. Last week Zeyn did all shifts with Levi but this week Justice will be doing half the shifts and as requested each week, ill send you the reports of the shifts outlining the shifts and progress.

Tuesday 06/07/2021

I arrived at Levis at 12pm. Struggled to wake him up but he eventually woke up at 1230pm which is quite good considering he is a heavy sleeper during the day.
He woke up saying he had to wake up because I kept pestering him. I agree with him as it had to be done. He had a cigarette put some laundry on and got ready to go out for some breakfast/lunch and a bit of shopping. We went out to Westfield Booragoon. Levi was undecided on what jacket to get from Footlocker. In the end he ended up choosing an orange nike jumper. He also bought some beanies a hat and tracksuit pants from cotton on. After that we ate some sushi and then went to McDonalds for some hash brown and coke. Levi seemed in good spirits and enjoyed a bit of retail therapy today. He is keen to get started on job applications tomorrow. After we got back to the house Troy arrived and suggested we go to the gym and check out the facilties. We took a drive to the gym in Troys car. Levi was very impressed with the gym and wants to join up to do some exercise. He spoke to the local chiropractor who suggested Levi see a specialist for his shoulder injury. By the time we got back to the house it was 5.10 pm. Clocked off for the day. Next shift tomorrow 12pm.

Wednesday 07/07/2021

Today i arrived at Levis place at 12. Struggled as always to wake him up but persisted and he woke up at 1230pm.
He had a ciggarete and a tea which i made for him. After that he had a shower and got ready to go out. Levi took his time getting ready. By the time we left the house it was 2pm We went out to westfield booragoon the closest mall to Hammy Hill. When we arrived it around 215pm. Levi seemed quite happy today and was craving some boost juice. He bought himself a banana blast. After ordering his juice he went to drop his phone off for repairs as it had a badly cracked screen. The guy at the repair shop said was going to be 40 minutes to an hour. We then went for some lunch to the foodcourt. Levi ordered a ceaser wrap from bucking bull and I had a kebab from skewerz. We ate lunch and went to check if the phone was ready. Still had 20 minutes to go so we waited around and had a seat on some couches for a while. After picking up his phone from the repairers, Levi and I made our way back to

the house where his sister was waiting for him to take him out for the evening/afternoon. We left the mall around 4pm and arrived at his house around 425pm. I left Levi with his sister and my shift ended early at 430pm.

Thursday 08/07/2021
Got to Levis at the usual 12pm. Levi was really struggling to wake up today. With consistent nagging to get him up he finally woke up just before 1pm.
He had a cigarette and got ready for the day. Took Levi to Cockburn Gateway shopping centre for a stroll. He needed to buy more cigarettes. We left the shopping centre at 245pm. We did some window shopping for a bit. Levi did not have enough money to splurge like yesterday. We decided to head back to Hammy Hill. We made our way back to the house around 315 after making a quick stop at iga for some chocolate bars. When contemplated going fishing near Fremantle but Levi pointed out that Troys rods were too big. We decided to spend the rest of the afternoon from 330 to 5 pm watching a movie on netflix. We watched Shak with Samuel L. Jackson. Levi ordered some McDonalds and that was pretty much the day done. Levi sent his Resume to Troy who is in contact with a few people about getting him some employment soon.

Saturday 10/07/2021
Arrived at Levis today at 12pm. Made a cup of tea for him and went to wake him up.
When i got upstairs I knocked on his door as usual assuming it was locked. When there was no answer for a few minutes i opened his door to find he was not inside. He wasnt home. After calling his mobile he told me he was at his mums house doing his white card and was due to come back to Hammy Hill around 5pm.
I told him no worries and to let us know about these things in the future so support staff dont come for no reason.
I left the house at 1215pm.

Kind regards,

Abdul Haji

I would like to advise, I had very detailed conversation with Perth Health Care Services regarding current supports that are in place for Levi. I have attached the email of confirmed hours in June for ongoing supports, corresponded via email. To ensure all transparency across the board, I have requested a weekly report on Levi's capacity building that will be conducted throughout the week with dates and times from support workers who will be attending. I have requested the below - More community base acitivites to motivate Levi to get out of bed and more involved with the community. Capcaity building with cooking. Support workers to attend Coles/Woolies to do weekly shops and prep meals to ensure Levi is gaining all the correct fuels for his body. This will not be a one man show, this is to assist and coach Levi how to cook the basic foods. Mon to Thursday – 12pm to 5pm	$42.81

Troy advised he was with Levi throughout the entire week of Levi being sick and spent money out of his own pocket for medicine to help him through. Troy advised Tracey attended one day out of the week on the Friday night at 12:30am and refused to drop Levi off on the Saturday. Troy has advised he will document the dates and what he is doing on a day to day basis. Troy also advised the support workers are sitting on their phones and on some days do not wake Levi. Tracey advised she has been at Levi's home every night and Levi was very sick and had no help with Levi being sick. Tracey advised she has spent over $400 on food for the entire week for Levi. Tracey advised no food is in the fridge for Levi after support workers leave. Tracey stated she is not happy with the system and feels its not ethical. SC also brought to light about Levi's current funding and over due invoice that must be paid. Tracey then deflected the conversation and kept stating her son is retarded and will not get anywhere in life. SC corrected Tracey and stated Levi has a interglacial disability which is in the same area of autism. Tracey stated Levi has been leaving the home throughout the night and drinking. Tracey also advised Levi has been ordering uber eats and if FFG can please pay for these costs. Tracey stated Levi was very sick and support workers were not helping. SC stated she will follow up with the neuro as Tracey stated Levi has a report stating he will kill someone in the future with his anger issues. Tracey asked she does not know why assist plan managers keep sending her emails as she has enough on her plan and she has previously directed us to overlook these for her and why we are not doing our job. Subject: ATTENTION Mr. David A. Barton

Good Afternoon,

My name is Terri, the appointed support coordinator for Levi.
Levi will be attending his appointment tomorrow, but I would like to touch base and introduce myself. Levi currently is funded through the NDIS, and as a support coordinator, we require reporting to be sent to us for review and to submit to the NDIS.
If you can please send all sufficient reports, once you have built a relationship with young Levi.

Levi requires a Behaviour intervention support plan to be conducted under the NDIS guidelines. These reports are to justify the amount of funding Levi gets yearly and to ensure we are not missing anything with his mental health.
Can I kindly ask if this is something you can implement?

Please feel free to give me a call if needed ??

Warm Regards,
Terri Roberts
