Subject: RE: Confirmation of NDIS meeting 431176021 [SEC=OFFICIAL]

Hi Melissa,

I hope you are well!

With any plans that have exceeded the dates, the NDIS do what's called a "roll over" which will extend the plan dates by 1 year and add the funding in from previous NDIS plan.
The review is still pending and hopefully we will hear of an outcome shortly.

I have booked in the review date and happy to attend over the phone like I did with Lucas ??

Hope this answers your question!

Hi Katy,

I don’t feel this would be ethical to lock in the entire $12,803.34 just for speech. This takes away other therapies that Lucas may need including OT for Functional Capacity Assessment at the end of this plan.
Can you provide what the $12,803.34 will assist with? Will this come with a detailed report regarding the recommendations Lucas requires to build is capacity?
