Hi Kelly,

Gilbert's happy to meet with you before he starts working with Mark. It would be best to speak to Gilbert directly to arrange a time when you are both free for the meet and greet. Glibert's phone number would be 0470 431 603 and he is expecting your phone call.

As for swapping the days we can speak to Gilbert about this and find out when he will be free. What days would you like supports for Mark?

Looking forward to hearing from you soon.

Kind Regards,

Michelle

Please advise if you ever received an invoice, or if you are able to follow up with this? You can contact them on driving@indigosolutions.org.au.

What dates did the 24 nurse assist bill for can I ask, as Mark has not receive supports in over two weeks.

I have heard the way she speaks about disabled people and couldn’t be more gobsmacked ....
No way do I want my son with her at all !!! I’ve heard the way she speaks about other CLIENTS and it makes me sick . But to sit and lie about my sons almost 6 month report is still it done .
He was on board before anyone or the company got busy . I am well within my rights to report to ndis which I may still do .

Please Terri somebody get in touch with ty and get us the hell away from nurse assist.

Hi Kelly,

As discussed on Friday, I was a day behind and promised to have updates to you by Tuesday.

Consent forms -
All of FFG are consented to speak on the behalf and the reason being is because if I was off work and emergency came up or enquiry that needed urgent attention we will require 3 points of ID to call and speak to the NDIS regarding Mark. I did send a draft of the service forms x 3 times to ensure transparency across the board. I do apologize if you feel this was not explained in depth.

Please see attached timeline of events on what I have worked on so far with Mark in document form attached above.
We are still awaiting on confirmation regarding the booking of driving lessons. I will keep you updated on this.

Regarding support workers, let me know what steps you would like to take next.
I hope this has answered some questions,

as I am also getting in touch with NSW today.
I also have noticed it's not just you that has authority it is several other people why is that? I get certain things but,why so many and you didn't explain that to me either ?
Obviously because of the weather but I still have not had a proper meeting.

Also it's not bipolar it's childhood emotional trauma that I have just so you can note .

I'd like this stuff if I can please by Monday .
Just so I can also keep track of what's tacking what we have and what I can do to for mark but having so many people with consent is not something I like .

Thanks regards
Kelly

Subject: Mark Edmonds

Good Afternoon,

My name is Terri the appointed Support Coordinator for Mark Edmonds who currently is been seen by Doctor Riva Curtis.

We are looking at potentially going for a review of funding to ensure Mark is supported with mainstream supports to build is capacity, as Mark's current plan does not cater to the required needs.
As you know, the NDIS is very heavy evidenced based, and I would like to ensure NDIS have all sufficient medical documentation and original diagnoses of the disabilities Mark has been diagnosed with.

Can I kindly request medical information for Mark Edmonds? I believe the participant's guardian Kelly Edmonds has signed a privacy and consent form on the behalf of myself to request this documentation.

Any questions, please don't hesitate to ask.
Look forward to hearing from you, thank you.

I have spoken with Driver rehab and they have provided me with the below –

Mark will need to complete a Driver Capacity Assessment as stated in his NDIS plan. This assessment will take place in the office and be conducted by a occupational therapist in Manning, Perth. When speaking with Driver Rehab, I advised you work full time and find it difficult to drop Mark off to appointments or any other obligations. Driver Rehab stated the driver lives in Pinjarra and could potentially pick Mark up for lessons once he passes the Driver Capacity Assessment. This will be funded through Mark's NDIS plan out of the capacity building supports, please see below.

This Capacity Assessment Is billed at 6 hours x $180 per hour. This is by the NDIS guidelines for a allied therapist to assist with capacity building. Once Mark has been successful in his assessment, we will receive a report to submit a request for driving lessons to be implemented in to his NDIS plan. This triggers a "change of circumstance s48" for a review as circumstances have changed.

If your happy with the above, please advise and I will book this in ☺
Have a wonderful day,

Subject: RE: s100 NDIS Review - Request for Contact - Mark Edmonds [SEC=UNOFFICIAL]
Hi Nikki & Kelly,

For this S100 review , I now see that you will have to outline ALL the funding (and the evidence/reports/therapy recommendations) that you asked for in the last plan (that was underfunded) and refer to the fact that the professional reports outlining the amount of required hours were not fully regarded.
I don't have this info to hand in my records but you will no doubt have this info and you need to pass this on to Josh in addition to what I have highlighted below so that you don't just get $22,568 and lose all else.

Below, I have outlined the amount of funding received and the amount requested in the FCA.

Received for 2-year plan:
Core Support: $25,190.12 (approx. 3-hours a week for 2-years)
Capacity Building Supports: $24,442.74 (therapy)

Amount Requested in FCA (for a 1-year plan):
Core support:
Support Worker for social and community participation: 15-hours a week of support work.
Support Worker for engagement with employment: 6-hours a week, during the school term.
Capacity Building Supports: $22,568
