This Afternoon Sally and I went to meet with Mark and Kelly to have a meeting with them both regarding how Mark is feeling, why he has been disruptive at school and Kelly has stated that Mark has been quite disrespectful towards Kelly.
When Sally and I Arrived at the house, Sally and Mark went to have an initial meeting together, while they were doing this I went to speak with Kelly and her Partner (Steve) about Mark and what Kelly and Steve have noticed with mark and what she would like to achieve with Mark. Kelly has told me that Mark has been very good with Steve (sitting with mark and talking about what Mark and Steve would like to do together and what Mark would like from Steve – as Steve is dating Kelly and he wants to help Mark as much as he can)
Kelly would like to see if we can get a key lock for the computer room as she would like Mark to not come straight home and sit on the computer playing games all afternoon and not helping around the house. I have told Kelly that I will need to see if this is something we can provide. Kelly has also stated that mark has been quite distractive at school for the last couple of weeks. Mark has been told to stay off his phone during class from his teachers and Mark has not been respecting the teachers, the teachers and principal gave mark 2 options regarding his schoolwork and phone (1 – hand over the phone, don't be distractive and you will get it back at 4th period. 2 – stay off your phone and continue your schoolwork) Mark stated to the principal and the teacher that, Quote "if you take my phone, I will be very distractive!" the school has then called Kelly and asked her to come pick him up as he is not complying with the school rules, or the options given to Mark.
After our chat, Kelly and I went downstairs for a quick smoke where Sally and Mark joined us outside. Sally was asking Kelly some questions regarding Mark's routine when Kelly became visibly upset and 0started sharing her frustration and turned it into an impromptu family therapy session where I sat in to observe. due to confidentiality, I would not be sharing personal and private information - this would be included in Sally's counselling notes. I have only shared the information which would be part of my job scope as a support coordinator.
Mark had mentioned that he has not been to see the optometrist for over a year although Kelly has Stated that she took Mark to the optometrist twice last year (do not know what is true at this stage) I will look more into this as Mark stated that his eyesight is becoming worse although apparently the optometrist has stated that there is no change in Marks eyes and no pressure behind his eyes either. I will have to call the optometrist to see if I can g

et the correct information regarding to Mark.
At the 1hr and 15-minute mark into our meeting, Sally highlighted that she would like to keep with procedures and boundaries and that we would be bringing the session to a close before we get into another sensitive topic. As Kelly was overwhelmed, Sally suggested that they should have their own personal time for self-care and be in a better space before Mark and Kelly have a chat to each other again. They had both agreed that they had underlying issues that needs to be resolved together and have agreed to see Sally together to address complex barriers and build capacity and resilience. As we were leaving, Kelly had mentioned that she would like to have a 1-on-1 session with Sally before starting a session together with Mark together.

29/03/2022	Sally See	30 minutes	General Notes	Support Worker	Organisation of support workers as Mark had gotten into trouble at school and required to be pick up immediately/ASAP. Mark had used his phone during school hours which was against school rules - when his phone was confiscated he made a huge fuss and began to be disruptive in class. He was sent home and needed a SW to pick him up as Kelly is not available. I called Tempa (scheduled to pick Mark up at 2.30pm) to pick Mark up ASAP, and he mentioned that he is available and will be there by 1pm today. I later received another text from Kelly that Tempa is to take Mark's phone back when he picks Mark up from school and to *not* return it to Mark, and pass it to Kelly when Kelly gets home. Please	$95.27

29/03/2022	Sally See	30 minutes	General Notes	Planning Session	Alex approached me to ask if there are therapies I could provide for Mark Edmonds. As stated in Alex's (SC) case notes underneath – Kelly has mentioned that Mark is becoming more disrespect towards Kelly as Gilbert (SW) has stopped supporting him. Gilbert had helped Mark understand and respect women, and he was progressing well. I suggested that I could go under level 3 – support coordination and go in to provide recovery coaching to address his complex barriers and build capacity and resilience. It is mainly to coach, refine, and reflect – but not necessarily in that order. Alex and I called Kelly to tell her our idea and to see if she would be comfortable with me providing 1-to-1 face-to-face support. Kelly is very supportive of the idea and would like us to go ahead. Alex and I would have to speak to Vida about this arrangement, as I may have to work out of Safety Bay to conduct the session, due to convenience and privacy reasons. We will inform Kelly ASAP once this is confirmed and when the first session would be.	$95.27

29/03/2022	Alex Bowers	45 minutes	Phone Call / SMS	Planning sessions	Have had a discussion with Sally regarding sourcing a Counselor or some behavioral therapies for Mark as Kelly has Stated to myself that Mark has stated to regress a little bit and is becoming more disrespectful to Kelly and not listing to her requests regarding house work. Kelly has agreed to this and is more then happy for Mark to come to the head office to have meeting with myself and or Sally. as we want to have the relation ship between Mark and Kelly o be a good healthy relationship. The Finance Manager did a thorough investigation on the invoices paid by the PM for support work to a provider. On completion of the initial investigation, I escalated this to the Service Manager (Sally) and the Support Coordinator (Alex) for further clarification with the participant. This includes - checking the funds, checking the invoices in question, checking the dates, times and rates of supports provided. This matter is currently sitting with Operation and will be updated to finance if additional follow up needed. Time for the investigation : 9.40 am to 10.16 am Duration : 36 Minutes	$50.07

11/03/2022	Alex Bowers	30 minutes	Phone Call / SMS	Call to Kelly	i had called Kelly in the afternoon to discus the emails i have received from SIX STAR, NDIS and INDIGO in regards to getting driving lessons for Mark. I have explained to Kelly that due to the NDIS taking so long to get back to us with the plan review meeting, the OT reports for Mark's Driving lessons are now out of date by 1 month. we now have to redo and send the OT assessment and Quote to the NDIS along with an S48 to get the funding changed from "OT driving assessments" to "funding for driving lessons". the funding is in the plan for Mark to redo the OT assessment and i have explained all of this to Kelly and she understands what we need to do next. as soon as we receive the new OT report and Quote i will contact the NDIS for the S48 to be completed.	$50.07

11/03/2022	Alex Bowers	1 hr 45 minutes	Phone Call / SMS	Phone call's	Call to Six Star Disabled Driver Training and NDIS. Phone call to Six Star Disabled Driver Training: I have called back Natasha from Six Star Disabled Driver Training to organize driving lessons for Mark as we have now received the new NDIS plan. while we where going through the plan i noticed that the NDIS did not put in the funding for Driving lessons, only funding for a Driving OT Assessment, this has already been done in August last year. i have told Natasha that i will have to call the NDIS as they have not included it into the plan. On the phone with NDIS: I have called the NIDS to raise my concern with there being no funding for driving lessons added to the plan. during the Plan review meeting 3 weeks ago, everyone in the meeting was told via Sylvia from the NDIS that funding for the Driving lessons will be added to the new plan for Mark as the OT driving assessment has already been completed. and sent to the NDIS in August last year (2021). after being on hold for 35 minuets i have been told that we need a NEW OT report to be done by Indigo Driving assessments. I will contact Kelly, Indigo and Six star to let them know this is the outcome of my call with the NDIS today.	$175.25

10/03/2022	Alex Bowers	1 hr	Attachments	New NDIS Plan - 09 March 2022 - 09 March 2023	i have received the new plan for Mark this afternoon. I have read through it with Kelly over the phone so i can explain each item to her and how we can use them. now we have the new plan i will send it to our account team for them to update the invoices and details for CareView. Kelly has Stated that Sylvia is trying to split mark and her apart, as Sylvia has sent through some options for mark to live somewhere else.
