22/04/2022	Alex Bowers	1 hr 15 minutes	Provider Travel Non Labour	Meeting with Max and Sheryl	** Large Note printed below.	$107.03

This afternoon i have had a meeting with Max and Sheryl at her request.

We have talked about the funding situation and how there public trustee is not wanting to pay for certain items that Max has been utilizing E.g. art supplies and Arakan martial arts for defensive purposes. I will be calling the Trustee and organizing with them payments for things that are outstanding that the NDIS could potentially pay for out of the plan.

Max has not been able to go back to Arakan due to the trustee not wanting to pay for this, as he stated to Sheryl that "the NDIS should pay for this, not me". I'm going to try and get these invoice to the PM for Payment so Max can return to Arakan.

Max is still wanting to do a course on Animation/ Graphic design at a tafe, with the possibility of only starting with a small number of unites to get Max started. I will organize this and speak with Management about how to go about this.

Max has been playing his bass guitar and has been getting taught by his brother. Max has been enjoying this quite a lot but would like to have a professional come to him for lessons. I will be looking for ways to source this for Max as a possible SW that plays guitar may be able to teach Max.

Max has gotten a new phone and has held on to it for quite some time. i have been told that Sheryl and Mark are going to speak with the Trustee in regards to credit for Max as i have said that the NDIS may not Fund this as it is an Every day cost.

Mark has also asked if he can get the paint to fix up Max's room, he has said that he will pay for the paint and to see if this is something that will be reimbursed under house maintenance. i will check this with Simon.

I will be receiving a call from Max's Brother regarding bills that need paying from the Art Supply store. i will get these invoices and send them to the plan manager for payment.

I also need to write up the consent forms for myself to be able to speak on Max's behalf to the NDIS and other providers. all of the above are in my tasks to be completed.
