26/08/2022	hazel Carbungco	3 hrs	1. General Notes	Concern on the whereabouts	Receive a call from the housing manager informing me about Michelle not being in the house at the time she came there. Called NDIS to get next kin to contact but there were none on record. Called Brigid O'Neil her mental health nurse who she regularly speaks to, assures that Michelle is a very independent woman who is capable of finding her way around and this is not a cause of concern. She mentions that she could have walk around to smoke and suggested to set up an area outside the house where she can smoke. We have agreed that if Michelle does not get back until 5:00pm today, I will let her know. Followed through the day, received a call from Maddie the support worker reporting on some concerns such as a friend is staying at the house with a kid and a dog and some accusations which are apparently just a figment of imagination. Called Brigid to ask about her recommendation if it is better to bring Michelle home sooner. She provided for a number to call in case of emergency.	$300.42
