Hi Trixie,

All due respect, I understand what you are saying but this is not based on how eager you are to continue services with Pauline, it's what Pauline's plan can cater and right now we are unable to sign a new service agreement due to the funding that is currently available.

Pauline does not have a new plan, this is a light touch that took place with the same amount of funding current for the remaining of the year. If Pauline would like to go ahead, I will advise tomorrow if a new service agreement will take place. No service bookings are to take place until this has been approved.

Thankyou,

Good Morning,

I have attempted to contact you via phone, but was unsuccessful.

My participant Pauline is currently running low on her funding, which takes out her cleaning services. Pauline feels the cleaning services are a must for her mental health and her mental health is dramatically declining. Pauline needs a clean environment for her mind to be a little less busy for her.
I have spoken with the NDIS who have advised me of the service booking for Suitsme who offer support work.
Pauline has advised she would like to change this service booking to $5,000 and not the $12,500. I have been advised $1,354.00 has been spent for services since commencement.
Can I kindly request this service booking be changed to the $5,000 for Pauline to have access to cleaning services.

Please send all relevant service booking forms to my email if possible to act on the behalf of Pauline.

Warm Regards,
Terri Roberts

Hi Pauline,

Was lovely speaking with you today Pauline. My name is Terri who is your appointed support coordinator. As discussed Terri will call you tomorrow regarding a plan manager.

t fund the care of her mother directly, but I get the feeling that the care role is perhaps isolating Pauline somewhat, and perhaps straining her health. Any ideas around this?

Anyway thanks again for referring to forward focused, we are working hard to develop a good support network for Pauline very soon.

Kind regards

Pauline stated she needs someone to take and pick up from places and is needing a cleaner to do her floors, bathroom, beds and possible gardening. Pauline is attending read and write classes because she has dyslexia. She was unable to read the consent forms due to her dyslexia so Simon read them to her.

Pauline is currently taking Methadone for pain relief for her back and knees, she informed us how she did her back in and that was she was helping a guy that was unconscious and tripped on a big stick and her back made 3 cracking noise. Pauline stated she gets steroids injections once a year. Pauline also stated she is needing a new car. Her GP is in Northbridge and her Dr is Andrew Davies. Consent forms have been signed and I have uploaded them and sent them to NDIS.
