05/11/2021	Rachael Thomas	1 hr 30 minutes	General Notes	Call to Yaran Property Group	** Large Note printed below.	$75.30

SC Rachael called Yaran Property Group ph: 9466 8888 and spoke with Nadab about Sarah-Jane's support situation.
As it currently stands, Sarah-Jane is living at Westralia Gardens in Rockingham on a periodic lease at a reduced rate of $260 pw. She is currently liked in with Phoenix Care (Fay and Charles) and receives 6 hours per day support from support workers. Sarah-Jane recently moved into the property at Westralia Gardens and is happy to continue living there, however, she has requested another service provider for her support needs. Sarah-Jane feels that she was not given enought time to understand the arrangement and support situation (contract and arrangement with Fay) and was rushed to sign.
She also disclosed that she has put in a complaint against Fay and Charles from Phoenix Care and does not wish to continue working with them.

SC Rachael recommended to Nadab that a new provider would need to be enlisted due to this conflict.
Nadab assured SC Rachael and Vida that everything was explained in great detail and that Sarah agreed to the arrangement. He stated that he will however look into this and arrange alternative support in light of this information.

Vida (FFG Director) also joined the phone conversation with Nadab and alerted him to some of the concerns around Sarah's situation:
Sarah-Jane has a history of self-harming and her forearms have many many scars, as well as fresh cuts.
Sarah-Jane lost a baby 15 years ago and is obsessed with making life-like baby dolls that she paints and dresses.
Sarah-Jane shares care of a small baby (believed to be a friend's child) that stays with her in the apartment on a shared arrangement 50/50. Fay from Phoenix care was made aware of this arrangement by Sarah, whilst she was arranging transport for her. Nadab was not aware of this information and stated his concern.

Vida advised that she wanted to alert him to these facts as a duty of care, and stated that a report would be sent to the NDIA and the Department for Child Protection and Family Services (CPFS).

VIda also mentioned to Nadab that whilst visiting Sarah-Jane she noticed that the door lock needs to be repaired as it is loose (dangerous) and the door is very heavy.

****SC Rachael will contact the relevant agencies (NDIA and CPFS) to make them aware of the risk factors around Sarah-Jane's situation.

05/11/2021	Rachael Thomas	15 minutes	General Notes	attempted call to Yaran Property Group	SC Rachael attempted to call Yaran Property Group Ph: 9466 8888 (M: 0468 692 154) to discuss Sarah's arrangement.	$12.55

01/11/2021	Rachael Thomas	45 minutes	General Notes	Call from Sarah	On Friday, Sarah disclosed during a telephone conversation that Fay from Phoenix had warned her not to engage Forward Focused, due to 'Fraudulent activity around drawing $14,000'. Sarah said that she was not happy with Fay as (according to Sarah), she did not complete her roster of care properly, has been very unprofessional and has hung up on her during calls. SC Rachael stated that she could not comment and would feed this information back to our Director Vida. Vida was informed of the conversation and accusation. This morning Sarah called again and was highly argumentative, stating that someone had told Fay that she was going to put in a complaint about her to the NDIA. Sarah also inferred that it was our fault that her funding is not available as he has never had this issue before. SC Rachael reiterated that as of yet, FFG has not affected her funding at all, as we have not been able to action anything due to issue with processing the consents and a LTR has not been done. Sarah then stated that she's always been Agency managed and wanted to stay that way. SC advised that FFG needed to request a LTR in order to get paid and this was discussed during the initial meeting. Sarah denied this and says she was never told this. SC Rachael reiterated that she was advised during the initial meeting and SC Shadi confirmed this as she was also in the initial meeting. SC Rachael advised Sarah that although she atended the intial meeting, Sarah's actual Support Coordinator is Shadi.	$37.65

01/11/2021	shadi Norouzi	30 minutes	General Notes	in the conversation with Sarah	Sarah called today and asked about the progress of whole of the process and Rachael and Shadi who had a chat with them stated to her as her plan is agency managed and in order to go to the rest of the process we need to sign the consent forms signed by her in order to go and start delivering a service. however for further enquiries has been asked to have a chat with our director.	$25.10
