Subject: Plan Review

Hi

Trying to get down where to from here after the mess they've made of my plan.

Most urgent issue is the AT funding they've stuffed up, I have a bill coming any day for $12435 and no money to pay it. But the plan overall is one step forward three steps back. I'm going to have to cut hours drastically as it will take too long to go to AAT to hope that I'll get a better plan before funds run out. The $7650 that was previously in that section was 3 years worth of maintenance, reasonable for that to be pro rata to $2550 for the one year plan, so with the amount for the bed my AT budget should be $14985. I've no idea where they've pulled that $10393 from.

Can you please let Margie know that I can't keep her shift, I won't be able to pay her. Not sure what the service agreement has about that so keep any shifts I need to if there's a notice period but cancel any after that.

I'm still working out exactly how many hours I'm left with, I'm going to have to cut my other workers shifts as well. So I guess I'll have to choose between a clean house or clean clothes, forget ever being able to go out anywhere. And if something is apparently simultaneously parental responsibility and the child's ndis plan's responsibility how on earth are we supposed to get anything done?

We will need to lodge with AAT, are you able to help me with the paperwork for that? I'm not sure where to start.

12/08/2021	Chloe osborne	15 minutes	Phone Call / SMS	SMS to Tegan	I SMS Tegan and stated that I have been readying the emails that has been sent to and from Gina, I stated that I was unsure on what was happening and if i could give her a call to discuss it.	$16.27

Hi Tegan

Please note that I referred to current reports that have been submitted to the NDIS. The reports I have referred to are listed on the last page of my decision.

I took into account our telephone conversation yesterday. Your new 12 month plan has been built with exactly the same level of assistive technology funding as your 27.04.2021 - 25.04.2024 plan.

Thank you Gina

I will proceed to AAT as this plan is utterly insufficient but there are a couple of issues that you will need to correct in order for me to move ahead.

Can you please provide an accurate list of what has been taken into account in forming these decisions, most of the documents listed are not reports that are about me or were submitted in relation to my review.

Also as was discussed during our telephone conversation yesterday I had approved funds available in my plan for my bed and mattress but had not yet received the invoice to be able to access those funds. You advised you would ensure that these funds would be carried over into the new plan, this has not been done. Please correct this error

11/08/2021	Chloe osborne	1 hr 45 minutes	Phone Call / SMS	Phone Plan Review with Gina - NDIS	Gina from NDIS called in regards to Tegan had a planning meeting today as her old support coordinator logged a s100 when she was with her, I was unaware of the date this was for but I had an SMS yesterday to book an appointment so Gina called Tegan and booked it in for today. First we spoke about all the thing we was going over and what needed to change, Gina asked about the support coordination hours and what needed to be added on that and I stated that Tegan is needing 50 hours of support coordination as she is unable to do thing by herself and cant make phone calls and link herself to the supports that she is needed. Tegan and Gina went through all the different therapies and reports sent in by the old support coordinator, we then spoke how how the plan is a 3 year plan and I asked if Tegan is happy with that or if she would prefer if I was a 1 year plan and Tegan stated she would like it better if it was just a 1 year plan and it would be easy to keep up with. I stated that with the new plan if they can make sure there is funding in core for support workers, cleaner and gardeners as if Tegan runs out of funding and gets left without support it will stress out Tegan and she will not be able to cope with anything. We was informed that Gina with try her best to add all these enquiries in her plan and once the plan has been approved it will be sent to Tegan.	$113.91
