I refer to my letter of 17 November 2022, inviting you to make submissions about a proposed banning order, and to the response containing submissions prepared by your solicitor, Tom and Co Legal, on your behalf, received by email on 30 November 2022.

I now enclose a banning order made under section 73ZN of the *National Disability Insurance Scheme 2013* (NDIS Act). I have made the order on the basis that you are not suitable to provide supports or services to people with disability. In making this decision, I have taken into account the information known and held by the Commission, which was set out in my letter of 17 November 2022, as well as the submission made in the response letter from Tom and Co Legal on your behalf.

This banning order prohibits you from being involved in the provision of supports and services to NDIS-funded participants for a period of five (5) years, from the date and time that the order takes effect.

You should refer to the enclosed documents and read them carefully. These documents comprise the banning order and the statement of reasons for my decision to make the banning order.

Please note that the banning order takes effect at **5:00pm (AWST) on 21 December 2022**.

Any application you may make for an internal review would be dealt with by someone other than me, the original decision-maker.

Should you wish to request a review of my decision, you may make the request in writing and email it to review@ndiscommission.gov.au or send it by post, addressed to:

21 December 2022

Statement of reasons for making a banning order under section 73ZN(2)(a)(iii) of the NDIS Act, prohibiting Mr Simon Reid from providing supports and services to NDIS participants for five (5) years

I am a delegate of the Commissioner of the NDIS Quality and Safeguards Commission (the Commissioner).

On 21 December 2022, I decided to make a banning order under section 73ZN of the NDIS Act, prohibiting Mr Simon Reid from providing supports and services to NDIS participants for a period of five (5) years from the date that the order takes effect.

The Commissioner of the NDIS Quality and Safeguards Commission

The office of the Commissioner is established by the NDIS Act. The Commissioner performs regulatory functions in relation to the provision of disability supports and services to people with disability.

The regulatory functions of the Commissioner include:

- upholding the rights of, and promoting the health, safety and wellbeing of, people with disability receiving supports and services, including those received under the NDIS;
- regulating NDIS providers, including through the application of Practice Standards and a Code of Conduct;
- compliance monitoring;
- investigation of non-compliance and taking appropriate enforcement action; and
- managing and resolving complaints from participants, carers, family members, advocates and others.

Outline of relevant statutory provisions

Section 73ZN of the NDIS Act enables the Commissioner (or the Commissioner's delegate) to make an order known as a banning order. Relevantly for this matter, a banning order made under section 73ZN(2) can have the effect of prohibiting or restricting specified activities of a person who is or was employed or otherwise engaged by an NDIS provider, or a person who is or was a member of the key personnel of an NDIS provider.

Section 73ZN(2)(a)(iii) allows the Commissioner or the Commissioner's delegate to make a banning order if she or he reasonably believes that a person is not suitable to be involved in the provision of supports or services to people with disability.

Procedural steps

On 17 November 2022, I wrote to you informing that I considered there were grounds for making a banning order against you. In that letter, I also invited you to make submissions in relation to these matters by no later than 5pm on 30 November 2022.

Submissions, which I consider further below, were received from Tom and Co Legal on behalf of Mr Reid on 30 November 2022.

Relevant facts

As a result of information provided to the Commission and the Commission's own enquiries, I understand the following:

1. You are the sole director and shareholder of Hybrid Hive Pty Ltd and have been a director since 17 February 2022. More specifically:

    a. Between 17 February 2022 and 22 August 2022, you were a co-director of Hybrid Hive Pty Ltd with Ms Vida Reid (V REID), your wife and business partner; and

    b. From 23 August 2022 2022, you were the sole director of Hybrid Hive Pty Ltd.

2. On 19 October 2022, V REID was arrested and charged with four offences, being:

    a. Between 1 December 2021 and 17 May 2022 at Perth in the State of Western Australia, V REID dealt with money or other property, it being reasonable to suspect that such money or other property was proceeds of crime and at the time of dealing the value of the money or property was more than $100,000, contrary to section 400.9(1) of the Criminal Code (Cth).

    b. That between 26 December 2021 and 23 June 2022 at Perth in the State of Western Australia, V REID dealt with money or other property, it being reasonable to suspect that such money or other property was proceeds of crime and at the time of dealing the value of the money or property was more than $100,000, contrary to section 400.9(1) of the Criminal Code (Cth).

    c. That between 30 November 2021 and 08 April 2022 at Perth in the State of Western Australia, V REID caused payment requests to be submitted, which he knew to be false, to the National Disability Insurance Agency (NDIA), a Commonwealth entity, with the intention of dishonestly causing a loss, contrary to section 135.1 (3) of the Criminal Code (Cth).

    d. That between 18 November 2021 and 19 April 2022 at Perth in the State of Western Australia, V REID caused payment requests to be submitted, which he knew to be false, to the NDIA, a Commonwealth entity, with the intention of dishonestly causing a loss, contrary to section 135.1 (3) of the Criminal Code (Cth).

3. The statement of material facts in support of these charges relevantly notes:

    a. Between 26 November 2021 and 22 June 2022, you and V REID caused 81 false 'payment requests' to be submitted against the funding of two NDIS participants, with the intention of dishonestly causing a loss to the Commonwealth. As a result of these claims, you and V REID received money reasonably suspected of being proceeds of crime to the sum of $247,484.78.

    b. Between 26 August 2022 and 21 September 2022, Zettai Pty Ltd trading as Assist Plan Managers submitted 11 separate reports of suspicious invoices submitted by Forward Focused Group Pty Ltd and Hybrid Hive Pty Ltd.

    c. V REID encouraged an employee, Ms Leah Norman (Ms Norman) to inflate the amount of time she spent coordinating support services for participants. Ms Norman alleges V REID could claim for residual funds left in a participants plan towards the end of the plan expiry. Forward Focused Group Pty Ltd and Hybrid Hive Pty Ltd are responsible for $1,485,527 in claims from expired plans. This represents 31% of total successful claims.

d. Between 30 November 2021 and 10 May 2022, claims to a combined total of $127,475.30 were submitted by Forward Focused Group Pty Ltd and Hybrid Hive Pty Ltd against the NDIS plan of Ms Meghan Goodwin (Ms Goodwin). These amounts were paid into Forward Focused Group Pty Ltd and Hybrid Hive Pty Ltd accounts for which you and V REID re the joint signatories. Ms Goodwin has provided evidence that she did not receive the services purportedly provided in these claims.

e. Between 24 November 2021 and 22 June 2022, claims to a total combined value of $120,009.48 were submitted by Forward Focused Group Pty Ltd against the NDIS plan of Ms Sarah-Jane Clulow (Ms Clulow). These amounts were paid into Forward Focused Group Pty Ltd accounts for which the joint signatories are you and V REID. Ms Clulow has provided evidence that she did not receive the services purportedly provided in these claims.

4. Staff of Forward Focused Group Pty Ltd undertook work on behalf of and represented Hybrid Hive Pty Ltd, including in respect of the delivery of supports and services and the submission and resolution of claims for purported supports and services against NDIS plans.

5. Information held by the Commission identifies that Hybrid Hive Pty Ltd, an entity for which you have responsibly and authority over its activities, has engaged in the following conduct during the periods in which you were a co-director and sole director, in contravention of the NDIS Code of Conduct and which presents a range of risks to NDIS participants, including through exploitation and undermining their independence, choice and control:

    a. Whilst NDIS participants in most instances executed service agreements with Forward Focused Group Pty Ltd, NDIS participants' plans were claimed against by Hybrid Hive Pty Ltd, without knowledge of any service delivery by both providers, nor with their consent. More specifically:

        i. The following NDIS participants entered into a service agreements with Forward Focused Group Pty Ltd. Claims were made by Hybrid Hive Pty Ltd against their NDIS plans, in circumstances in which the participants or their nominees had not executed a service agreement with Hybrid Hive Pty Ltd and where the claims had not been authorised by those NDIS participants or their nominees:

            - Mr Bassam Haidar (Mr Haidar);
            - Ms Amber Wilson (Ms Wilson), nominee for her children's NDIS plans;
            - Ms Gina Regali (Ms Regali), nominee for her children's NDIS plans;
            - Mr Hrimnir Benediktsson; and
            - Ms Jessica Harrison, nominee for child's NDIS plan.

        ii. Ms Regali further raised concerns with Mr Blake Sadler (Mr Sadler), a support coordinator employed by Forward Focused Group Pty Ltd, concerning invoices for services not delivered. Mr Sadler sent a text to Ms Regali stating Forward Focused Group Pty Ltd was 'changing the dates on the December Hive invoice'.

        iii. Ms Jessica Harrison further raised her concerns with Mr Sadler, who advised her that 'it was fine' and to tell her plan manger to pay the invoices. Mr

Sadler also advised that he would find out why Hybrid Hive Pty Ltd was claiming against Charlie Harrison's plan, for which Mr Sadler did not provide any further information.

iv. Claims were fraudulently submitted by and paid to Forward Focused Group Pty Ltd and/or Hybrid Hive Pty Ltd for services not delivered, including in respect of:

- The NDIS plans of Ms Wilson's children for capacity building and training in self-management and plan management and house cleaning and other household activities;
- The NDIS plan of Ms Sarah-Jane Clulow (Ms Clulow), specifically:
    - Invoice 1217 for $3,127.50 which was questioned by Ms Clulow. V REID advised there was an extra charge for tax, above the $2,470.00 amount Ms Clulow claims is the correct figure;
    - All claims for short term accommodation;
    - All claims by Forward Focused Group Pty Ltd for community access, house cleaning, assistance with self-care activities and community participation;
    - All claims for dates in which other providers had already claimed;
    - All claims for self-management building capacity;

    - Invoice 1146-1; and

b. Hybrid Hive Pty Ltd submitted falsified and inappropriate claims against the expiring or expired NDIS plan of NDIS participants, with the objective of exhausting funds in those NDIS plans. More specifically:

    i. Invoices were issued weekly against the expired NDIS plan of Ms Goodwin, for services not provided by Forward Focused Group Pty Ltd or Hybrid Hive Pty Ltd;

    ii. Invoices were issued by Hybrid Hive Pty Ltd against the expired NDIS plan of Ms Yvonne Harrison (Ms Harrison) for alleged services occurring in March 2021. Ms Harrison commenced services with Forward Focused Group Pty Ltd in November 2021 and with Hybrid Hive Pty Ltd in March 2022; and

    iii. 14 invoices were issued by Hybrid Hive Pty Ltd against the expired NDIS plan of Ms Janine Craig for alleged services delivered but for which there was no record held by Hybrid Hive Pty Ltd.

c. Hybrid Hive Pty Ltd, and Mr Rejaul Alam (Mr Alam) and V REID on behalf of Hybrid Hive Pty Ltd, authorised payments of invoices on behalf of participants, without their consent. This resulted in NDIS participants' management of their NDIS plans being undermined and funds being exhausted without their knowledge. More specifically:

    i. Ms Danica Hall (Ms D Hall), former employee of Forward Focused Group Pty Ltd, raised concerns with Mr Alam concerning the validity of invoices raised for which Mr Alam then took responsibility and issued;

ii. Ms Regali was advised by her plan manager that invoices for dates in January 2022 were accompanied by an email from Mr Alam stating 'we have been advised by the participants have approved the invoice'. Ms Regali confirmed that she had not authorised the invoices; and

iii. Jessica Harrison is the only person with permission to authorise payments against the NDIS plan of Charlie Harrison. Jessica Harrison has not authorised claims made and paid against Charlie Harrison's plan, including a claims by Infinity Living Options Pty Ltd, an entity for which she has no knowledge.

d. Further, Hybrid Hive Pty Ltd, Forward Focused Group Pty Ltd and representatives operating on behalf of Hybrid Hive Pty Ltd, engaged in aggressive claiming activities against the NDIS plans of NDIS participants, making inappropriate and falsified claims for supports and services not delivered. More specifically:

i. Ms D Hall, was instructed and pressured by V REID to make phone calls to all participants concerning a river cruise for which $7,500 was to be charged against the NDIS plans of participants, including in circumstances in which participants had already declined. V REID instructed Ms D Hall and other support coordinators to charge 15 minutes of support coordination for each phone call against NDIS plans of participants. Ms D Hall further considered this harassment of participants;

ii. Ms Janine Hall (Ms J Hall), a former employee of Forward Focused Group Pty Ltd, was also directed by V REID to call NDIS participants to harass for attendance at a New Year's Eve cruise. If participants declined, they were placed on the list of another employee to be called. Ms D Hall was instructed by V REID to 'bill' for these phone calls for support coordination, even if phone calls were unanswered;

iii. Ms D Hall states that she was trained to send invoices for services not provided, send invoices to claim funds from expired plans for services not provided and alter dates on invoices to claim from plans that had funding left in them;

iv. Ms Norman was directed by V REID to record more hours than the time actually required to provide support coordination, Ms Norman advises 'this was constant; she would call us dumb and tell us we're putting our jobs in jeopardy by not doing what we're told regarding the hours, and that we didn't understand how the NDIS worked'; and

v. Ms Terri Roberts (Ms Roberts), former employee of Forward Focused Group Pty Ltd, alleges V REID directed support coordinators to 'bill participants at least 15 hours per day' and that once this had been achieved, staff would receive 50% of the charge as a bonus.

Tom and Co Legal's submissions on Mr Reid's behalf

You were invited to make submissions, and in response to this invitation, your solicitors, Tom and Co Legal, wrote to the Commission, containing submissions in response to the Commission's letter of intention to issue a banning order to you. We have therefore taken any views or thoughts expressed and any statements made in the letter to be yours.

I have distilled below the key points from the submission which address the points raised in my 17 November 2022 letter:

- Your position that the timeframe afforded to provide submissions in respect of a proposed banning order in unreasonable;
- You have not been charged with any criminal offence and the making of a banning order prohibiting you from being involved in the provision of services and support, both directly and indirectly, to people with disability should not be considered until the outcome of Ms Vida Reid's criminal matters;
- You have questioned the relevance of the charges and arrest of V REID to the proposed banning order against you;
- You deny involvement in the conduct, set out in my 17 November 2022 letter and your position is that your link to alleged wrongdoing set out in my 17 November 2022 letter based on shareholding and directorship of Hybrid Hive Pty Ltd is flawed.

I further note, in your submissions of 30 November 2022 that you are in possession of evidence that supports the view that an employee within Forward Focus Group Pty Ltd was the person engaging in corrupt practices and is likely the person responsible for the above allegations.

On 2 December 2022, I wrote to you requesting that you provide me with this evidence, alleged to be material to my consideration to issue a banning order to you. On 7 December 2022, your solicitors, Tom and Co Legal, wrote to the Commission, advising that you would not be providing any further information, despite being afforded an extended opportunity to do so and a specific request by the delegate.

Decision to issue a banning order

Based on my assessment of the submissions made by Tom and Co Legal on your behalf, I am not persuaded to change my preliminary views that a banning order be issued against you. Nor do the submissions persuade me to reconsider any factual findings on which I formed my preliminary views. More specifically:

- On 22 November 2022, your solicitors, Tom and Co Legal, wrote to the Commission to request an extension of time to provide submissions on your behalf. On 2 December 2022, the Commission responded to this request, providing an extension of a further 14 days from the original due date.

  Tom and Co Legal provided submissions on your behalf on 30 November 2022, in which they stated that they considered the timeframe 'unreasonable' and the Commission had 'compromised any procedural fairness'. These concerns were repeated in Tom and Co Legal's response to the Commission's letter of 2 December 2022.

  I note that you have chosen not to avail yourself of the extension of time provided on 2 December 2022. I consider that procedural fairness has been provided.

- The Commission is not constrained from making banning orders where related criminal proceedings are on foot. I note that the outcome of the criminal proceedings against V REID may be relevant to an application to vary or revoke the banning order.

  Further and whilst I acknowledge that these matters are currently before the court, I consider that the evidence before me and set out in this statement of reasons, satisfies me

that fraudulent conduct has been engaged in, including through an entity for which you have responsibility and authority as co-director and sole director, and for which you have benefited as a joint signatory to the accounts in which payments were made in response to falsified claims.

- I consider that the charges against V REID are relevant to my considerations in making a banning order against you, as the basis for those charges references you and Hybrid Hive Pty Ltd and conduct engaged in. I have removed references to bail conditions to which V REID is subject, as I agree they are not relevant to this banning order made against you.
- The conduct set out above, occurred during the periods in which you were both a co-director and sole director of Hybrid Hive Pty Ltd and therefore had responsibility and authority for (or significant influence over) planning, directing or controlling its activities.

  It is my view that the conduct set out above, engaged in Hybrid Hive Pty Ltd, strongly suggests that you are not suitable to provide supports or services to people with disability for the following reasons:

  - Section 3 of the NDIS Act contains the objects of the NDIS Act, which includes:
    i. supporting the independence and social and economic participation of people with disability;
    ii. enabling people with disability to exercise choice and control in the pursuit of their goals and the planning and delivery of their supports;
    iii. promoting the provision of high quality and innovative supports that enable people with disability to maximise independent lifestyles and full inclusion in the community; and
    iv. protecting and prevent people with disability from experiencing harm arising from poor quality or unsafe supports or services provided under the NDIS.
  - In giving effect to the objects of the NDIS Act:
    i. section 3(3)(b) of the NDIS Act requires regard to be had to the need to ensure the financial sustainability of the NDIS. Similarly, as set out in section 4(17) of the NDIS Act, it is the intention of Parliament that the Commissioner, amongst others, have regard to the need to ensure the financial sustainability of the NDIS in performing functions and exercising powers under the NDIS Act;
    ii. sections 4(4) and 4(6) of the NDIS Act, provide principles guiding actions under the NDIS Act including:
      - People with disability should be supported to exercise choice, including in relation to taking reasonable risks, in the pursuit of their goals and the planning and delivery of their supports; and
      - People with disability have the same right as other members of Australian society to respect for their worth and dignity and to live free from abuse, neglect and exploitation.

- It is my view based on the conduct set out above that you and Hybrid Hive Pty Ltd, an entity for which you have responsibility and authority, have acted in a manner that is contrary to these guiding principles, as well as the objects of the NDIS Act, and in circumstances have deliberately undermined those principles. More specifically:

    i. Hybrid Hive Pty Ltd, an entity for which you have responsibility and authority, engaged in conduct which limited NDIS participants from exercising their choice and control over their own supports and services, and acted without their consent or authorisation to make decisions about the engagement of supports and services under their NDIS plans. This conduct is serious, and has had significant impacts on the health and wellbeing of participants, particularly where deliberate conduct has been engaged in to subvert the authority of NDIS participants and their nominees;

    ii. Hybrid Hive Pty Ltd, an entity for which you have responsibility and authority, has engaged in aggressive and dishonest conduct, including the submission of falsified claims for supports and services against NDIS plans, driving a culture of inflating claims and hours for services delivered, authorising payments without participant consent and entering into new service agreements without the knowledge or consent of NDIS participants and their nominees; and

  Further, the conduct set out above and the offences for which V REID has been charged and you involved, presents significant risks to the financial sustainability of the NDIS, as well as to NDIS participants, as victims of fraud. Such conduct takes funds from NDIS participant plans, stopping participants from being able to purchase the supports and service they genuinely need. Further, fraud makes it harder for participants to pursue their goals and puts additional pressures on carers, family, friends and support networks.

Therefore, I have formed the view that allowing you to continue to provide supports or services to people with disability poses a continuing risk to people with disability. My view is that is that the need to protect the interests of people with disability, who may be particularly vulnerable, and ensure that they are kept safe, requires that in matters of this kind, a person who has engaged and been involved in the conduct set out above, as well as have authority and responsibility for an entity that has engaged in serious wrongdoing as set out above, must be prevented from delivering supports and services to people with disability. My view is that you are not currently suitable to provide supports or services to people with disability.

I therefore believe that it is appropriate to issue a banning order prohibiting you from engaging in any activities related to the provision of supports or services to NDIS participants for a period of five (5) years, in accordance with section 73ZN(2)(a)(iii) of the NDIS Act.

I have taken into account the purposes of a banning order which are to protect the public from harm by removing those who are unsuitable or not competent to provide disability services and supports; and, generally deter misconduct and incompetence through permanent or temporary exclusion from providing disability services and supports.

Taking into account all the matters set out above, I consider that it is proportionate to impose a banning order against you.
